Dog training regulations

Many dogs and hunters are out of shape. This is not just our opinion. We received this information from the Pennsylvania Game Commission which has announced that dog training season opened August 1 and will continue until next March 31. Dogs may be trained from sunrise to 9 p.m. EST from August 1 through March 31, 1978. To train dogs on Sunday, the consent of the owner of the property must first be obtained, unless the dogs are to be trained on state-owned and national forest lands.

No rifles or shotguns may be carried while training dogs.

summer season to end at the top of the league, and Donegal finished in the second position. Both teams then went on to win their semi-final play-off games to qualify for the championship game.

It was the Shamrocks "stonewall" defense that determined the games outcome. The normally high scoring Whiz Kids were held to nearly thirty points below their season's average, which led to their defeat.

The game was played at Buchanan Park in Lancaster.

Pvt. Samuel C. Edye participating in 'Hometown Recruiter Program'

Private Samuel C. Edye, of Mount Joy, has been selected to participate in the Army's "Hometown Recruiter" program, which allows young soldiers to return to their hometown on 30-day assignments as aides to local recruiters.

The "Hometown Recruiter" program has been so successful that current plans are to assign about 550 hometown re-

cruiters a month throughout the country for the remainder of this year and 1978.

Pvt. Edye will be working with the Army recruiters in Elizabethtown prior to reporting to Germany, where he will be assigned as a wheeled vehicle mechanic.

A 1976 graduate of Milton Hershey High School, Edye entered the

Army in April and completed his basic and advanced individual training at Fort Dix, New Jersey.

According to SFC Joe Burciaga, Army recruiter at the Elizabethtown Recruiting Station, Pvt. Edye's main objective is to tell young men and women with no prior service what the first few months in the Army was about.
