## Carnival in Mount Joy

—Jaycees and Recreation Assoc. hold  
Labor Day affair

On Friday and Saturday, September 2nd and 3rd, a Carnival will be held in the Mount Joy Borough Park.

Sponsored jointly by the Mount Joy Jaycees and the Mount Joy Recreation Association, the carnival will feature food stands and wheel stands, a dunking machine, and a real live clown!

The clown will wander about the carnival grounds amusing both young, old, and middle-aged. The

clown will also hand out balloons in return for a mere pecuniary pittance.

In addition to all the above, local craftsmen and craftswomen will be displaying their work at another series of stands.

The Friday carnival starts at 6:00 p.m. and runs to 10:00 p.m. The Saturday affair will begin at 2:00 in the afternoon and won't end until 11:00 at night.

## ...Federal money (cont.)

[continued from front page]

Mr. Kulman is an expert at drawing up proposals for government funding, since that is part of his job in Philadelphia.

Mr. Kulman hopes to have a permanent tree commission for Marietta in the future.

Ken Ross, the recently appointed councilman, is now working on another proposal for funds. This project would hire a person to make a thorough door-to-door survey of all the homes in Marietta. Residents would be polled on what, in their opinions, the town should spend its money on. Results would be used as a guideline for the Council.

Ross was recently appointed chairman of the planning committee by Council president Oliver Overlander.

The application will be decided on by September 12th. The funds would come through the Lancaster-Lebanon Manpower Consortium.

Ken Ross told the Times that he would like to see the service organizations represented to Council by one member of each organization. He emphasized that this idea is, at this point, a tentative one, "not fixed in concrete," as he put it.

Other members of the survey proposal committee are Oliver Overlander and Dave White.

The Borough will be looking for a good foreman for the tree crew, with experience. Anyone who gets the job, though, will have to have been unemployed for at least 15 weeks, due to CETA regulations.

## Donegal Rangers to be at Battle of Brandywine

The re-enactment of the Battle of Brandywine, near Chadd's Ford, PA, is to take place on the 200th anniversary of the actual event, on Saturday and Sunday, September 10th and 11th.

The Donegal Rangers will be represented at the mock conflagration, as will many other units, including one from Canada.

The Canadian troops' trip down to our area is being sponsored by the Canadian government, to

the tune of \$12,000. The sum will pay for the transportation of the Queen's York Rangers, an active regiment from Toronto.

Because they are members of a foreign army, the 175 Queen's Rangers had to be formally cleared to cross the border by the U.S. department of State.

After the re-enactment, the Americans will be the guests of the Tories at a Victory Ball (The British won).

## Mount Joy water project to be acted on

The proposed ground-water development project of Mount Joy will be acted on at the next meeting of

the Susquehanna River Basin Commission. The commission will meet in Baltimore on September 8th at 9:00 a.m.
