Chiques v-ball league expanding

—basketball to be added

The Chiques Co-Ed Volleyball League has grown... into Chiques Adult Athletic Association, which will cover more than just volleyball. Two new programs being added this year are men's, and also co-ed, basketball.

The men's league is a revival of the old Chiques Basketball League, which folded about three years ago after running for 11 years. One difference of the new league is the drawing of team players from a hat each year. Thus no team will be able to dominate the league for years at a time.

Men's basketball will start on Monday nights in early November. The Co-Ed league has "affirmative action" rules.

Each team must play 3 women and 2 men at all times. Moreover, one man must be in the forecourt and one in the backcourt. The only defense allowed will be pro-type "man-to-man." These rules will eliminate male domination of the game.

The co-ed games will also begin in early November, on Thursday nights. The regular volleyball program will start at the end of October. Games will be at the Marietta Community House Gym.

Current temporary directors (until elections next spring) are Michael Lippold, Ben Thompson, Dave Noll, and Elizabeth Lippold. Association bylaws were drawn up by attorney Dave Mountz of Columbia.
