## Fire crew says "thanks"

The Elizabethtown and Mount Joy Forest Fire Crew would like to thank everyone who helped make the recent Woodsmen's Festival such a success. The support received from

the surrounding communities is deeply appreciated by the fire crew.

The crew would also like to announce that its annual fund drive, which was temporarily suspended during the Festival's preparation, is being continued.

Remember, your local forest fire crew does not solicit funds through the mail. Crew members in proper uniforms, carrying credentials, will personally contact area home owners.
