Quarterback Brian Ney completed 7 of 11 passes for 169 yards, hitting both Burd and Scott Mowrer.

The Indian defense was in its usual good form. The Baron's star quarterback, Ron Brown, was held to 58 passing yards by the blitzing Indian defenders. Defense man Randy Derr

scooped up two fumbles for Donegal.

The scoring was done by Boylan (15 yard pass reception), Ney (QB sneak), Jones (5 yard run) and Splain (60 yd. and 48 yd. runs). Splain also kicked 5 extra points.

Letters: Reporter, in double-barreled letter, blasts editor, school board

First, let me say I am fully aware of the privilege the editor has to accept or reject any copy he receives!!! This privilege does not cover editing to the point of changing the message the reporter has tried to convey to the readers!

NOW! Just where did you find the statement in the copy you received from me which led you to believe I even remotely suggested the Donegal School Board may refund taxes? How utterly ridiculous!

If you dig out that copy, you will find it clearly states that Dr. Robert Eshleman reminded the Board of the Number 2 option in their resolution to their budget, (quoting from the Donegal School District Superintendent's Report, 9/15/77(2), appropriate reduction of taxes for 1978-79 tax year.) Dr. Eshleman made the statement following a motion by board member, Donald Kugle, to reopen the budget to enable the Board to receive the proposed subsidy "to be applied to the reduction of current district obligations and indebtedness."

Many questions

Dear Editor: The following are questions I'd like opinions, facts, etc. from the people living in Marietta Borough. My husband and I lived in the borough most of our lives and moved away upon seeking our own house two years ago.

The subject of this letter is the lack of land available for new single dwelling homes. Why, if a Marietta family wants to build or buy a new house do they almost always have to leave the borough? Is there any land available for new single dwelling houses? Townhouses and new a-

Zimmerman and Witman to sing at E'town College

Sharon A. Zimmerman of Mount Joy and Donald Witman of Marietta will present a joint vocal recital at Elizabethtown College on Monday, Oct. 10, at 8 p.m., in Rider Hall. It is open to the public without charge.

A soprano, Miss Zimmerman is a senior and daughter of Mr. and Mrs. Harold Zimmerman. A tenor, Witman is a junior and son of Mr. and Mrs. S. Martin Witman.

Both graduates of D.H.S. major in music education. Keith Smith, also of Mount Joy, will be their accompanist.

That is what I wrote in my report, and that's the way it stands. Hardly dear editor, as a constant viewer of the school board meetings, could I ever give birth to the idea that the Donegal School Board would ever agree that "local people would possibly get tax refunds in the mail."

Now fairly I'll say you did state, "and they just may return some of it to the taxpayers" which could mean a return in the form of lowered taxes.

Unfortunately, it is neither your fault nor mine that some persons are unable to comprehend a simple statement or idea.

Maybe this would be the opportune time to suggest the Donegal School Board members, rather than reducing reading positions, they add a remedial reading course for adults and avail themselves of the same!

Hopefully, this letter will appear as **written** and without the benefit of your privilege of editing!

Your ever-inquisitive reporter,
(Mrs.) Zeldia Heisey

partments seem to be "the thing" and is as it should be in town. The physical boundaries of the borough seem to be a problem, what are the borough's boundaries exactly? Where on the outskirts of town, if any, is there planned land for development of new housing? Does Marietta want to keep growing; is there any room? What land is available close to but outside the borough? Thank you!

(I know there was new housing built at the corner of Decatur & W. Market Sts., but the houses were really sandwiched in there.)

Zimmerman and Witman to sing at E'town College

Miss Zimmerman's major instrument is oboe, and Witman's is trumpet.
