

## Mount Joy Council ;

*No arbitration for Kline ; Halloween night Oct. 27; police will double up*

Mount Joy Borough Council has decided to deny police chief Bruce Kline's request for binding arbitration. They will discuss his salary and benefits in November.

Mayor Gingrich has announced that Oct. 27, between 6 and 9 PM, will be designated as Halloween Night in the boro. Residents are requested to leave their porch and other outdoor lights on, to promote the safety of the little goblins on the street.

The police will double up on Friday and Saturday nights, at the mayor's request, until the end of this year.

## Dog law crackdown in Mount Joy

Mount Joy Borough Police have issued a warning concerning dogs running loose in the borough. After receiving many complaints, the police plan a crackdown on dog law violations.

According to the state dog law, the owner or

keeper of a dog must, at all times, keep the dog either:

1. confined within the premises of the owner or keeper
2. firmly secured by means of a collar, chain or other device, so it cannot stray beyond the premises on which it is secured
3. under the reasonable

control of same person or when engaged in lawful hunting or dog training.

All dogs, 6 months or older, must be licensed, and the license must be firmly attached to a collar and worn at all times except during field training or in a dog show.

Licenses may be purchased at the treasurer's office in the Lancaster County Court House or at Sipling's Pet Shop, 48 West Main St., Mount Joy. If your dog strays, call the local police. That way, if the dog is picked up, he will be returned to you.

When the police pick up dogs, but cannot locate the owners, the dogs are taken from the borough pens and handed over to the Humane League Shelter.

The best insurance against losing your pet is to buy and attach a license as soon as possible.

## Sewers approved , expensive paint job

Mount Joy Borough Authority approved the water and sewer designs for Pennsbury Manor development, subject to design approval by the boro engineers.

The development is located in the Donegal Springs Road area.

The one million gallon water standpipe at Rapho Industrial Park is now ready for lettering.

The standpipe will be identified by 48 inch-high letters that will spell out "Mount Joy." The lettering will cost \$720.00.

## Friendship Fire Co.

*will hold mock accident, demonstrate Hurst Tool*

Friendship Fire Co. No. 1, Mount Joy, is planning a mock accident on Saturday, October 15th, at 10:00 AM in front of the Fire Hall at 7 N. Market St. The accident will involve 2 cars, 3 patients, and members of the fire and ambulance crews.

Due to inclement weather, last year's mock accident had to be cancelled. In response to the many inquiries, the Hurst Tool demonstration was re-scheduled for this year. Fire Chief Frank Good will explain the proceedings.

Open house begins at 9:00 AM, with poster contest awards being presented at 10:00 AM.

## Mount Joy: your kind of town?

Is Mount Joy your kind of town? If it is, and you're a good writer, you could win a prize. Here's how:

Since the annual Lancaster County Veteran's Day Parade is scheduled to be held in Mount Joy this year (on Sunday, Nov. 13th), the Mount Joy Merchant's Association decided to sponsor an essay contest.

The topic is "Mount Joy —my kind of town."

Think about why you are proud of your town, what you really like about it, why you call it "home." Then sit down and write 200 words or less, and mail it to Mount Joy Contest, Box 100, c/o Susquehanna Times, RD1 Box #75-A, Marietta 17547. Entries will

be judged on content, expression, and sincerity. There will be 3 judges, and 3 age categories (under 11, 12 to 18, and 19 or over).

Entries should arrive no later than November 1st. Winners will be announced on the day of the parade.

Is Mount Joy your kind of town? Get out the paper. Make your feelings known.
