

Donegal School Board meets

The Donegal School Board has officially entered the long-awaited state subsidy in its budget. The board hasn't received the money yet, but they calculate that the amount should be \$118,785.

No one is really sure how much money the state will return, because the formulae used to compute the amount are very complicated. The money, when it arrives, will be used to repair the high school and junior high buildings.

The board accepted the resignations of Phyllis and

Steve Leatherman as school district tax collectors for Mount Joy Boro. Ill-health was cited as the cause of the resignations.

Residents have been paying their taxes at the school district office since Oct. 3, however, the board named Mrs. Peggy Nissley to replace the two Leathermans temporarily.

Arrangements have been made for taxes to be paid at 4 local banks starting July 1, 1978. The banks are: the Dauphin Deposit Trust Co., the National Central Bank of Mount Joy,

the Maytown branch of the Union National Bank, the Mount Joy office of the Union National Bank, and the Farmers First Bank in Marietta.

The board accepted an offer from Wissler Motors for a second driver education car.

The Marietta Model Masters, a model airplane flying club, was granted exclusive rights to use the Riverview School property for model airplane flying. The club will carry \$1 million in liability insurance.

Mount Joy Historical Society hears talk on Thomas Edison by leading expert

Richard Guth of Harrisburg was the guest speaker at the October meeting of the Mount Joy Area Historical Society.

Introduced by Mrs. Thomas Cox, he talked about the life and times of Thomas Edison, and showed slides of Edison's home in West Orange, NJ. Mr.

Guth is recognised as one of the nation's outstanding authorities and Edison.

President Bernell Heisey announced that the 1978 calendars will be available after October 24th. Three new members were welcomed to the Society, and final plans were made for the trip to Antietam and

Harper's Ferry.

Joseph Shaeffer, Robert Eshleman, and Richard Peiffer were named to the Nominating Committee to present a slate of officers for the November 21st meeting. Jay Eberle and Al Koser were appointed to the Auditing Committee.

Cable TV made interference disappear from my TV set for only 99¢

It's the best trick I've ever seen.

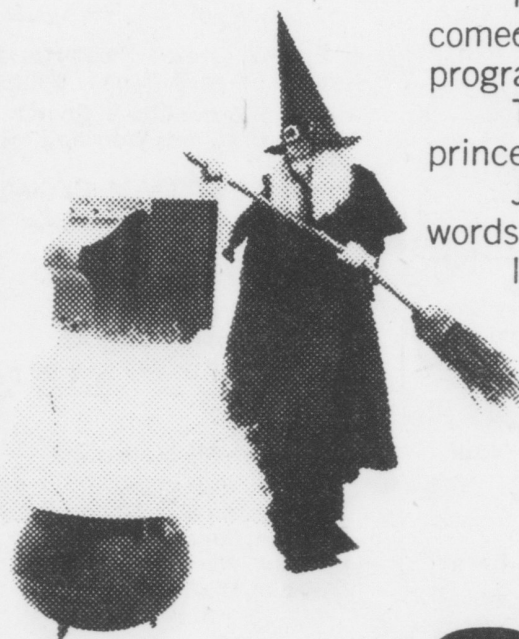

I simply picked up my magic telephone and called for a Cable TV installation. And poof . . . Faster than it takes to say a magic word, I had Cable TV.

Blurry pictures, ghosts, wavy lines and interference all vanished from my TV screen. More channels than ever appeared.

Now I can see my favorite horror movies, and comedies and sports and all types of wonderful programs.

Transform your frog of a television into princely Cable TV.

Just pick up the phone and say the magic words, "I'd like a Cable TV installation for only 99¢." It works better than abracadabra.

WARNER CABLE

Our regular Cable TV installation only 99¢
