

What's this?? try again!

Our "What's This?" mystery photo of last week drew only two guesses.

B. Loercher of 314 W. High Street, Manheim, hazarded a guess that it was soap suds on the brushes at the car wash outside Mount Joy.

John Wagner said it was an aerial view of the atomic

plant at Three Mile Island outside of Middletown.

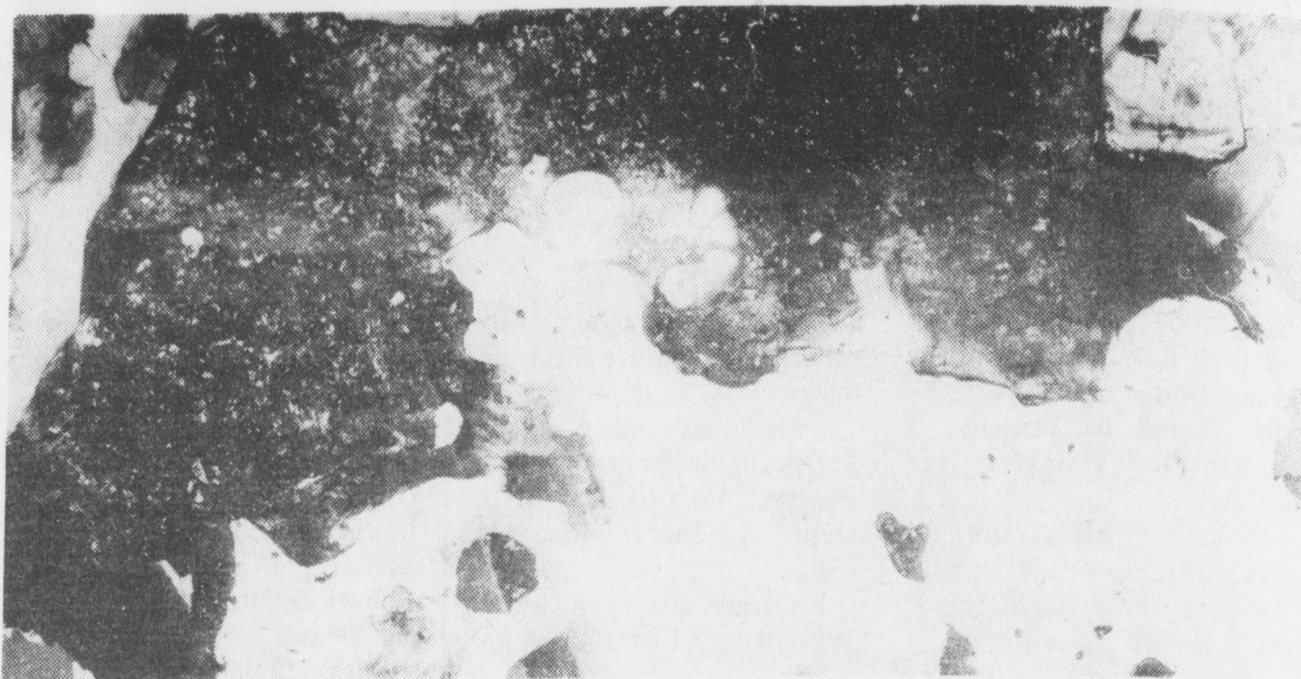

These are both good guesses, considering the difficulty of the subject. Unfortunately, both are wrong.

Since no one got it, and we had only two replies, the *Susquehanna Times* will continue the contest.

Those who wrote already are welcome to try again.

Just so we don't scare you all off, here's a hint: the photo was taken with a wide angle lens indoors. Everything in the picture is dry.

We're waiting to hear from you.
