## TAKE THIS AD TO DINNER

More than fifty percent of the world is starving. Another twenty percent, just plain hungry. And yet, in the face of starvation, they have hope. Hope that the rains will return to the African Plain. Hope that the Asian rice crop will be bigger this year. Hope that someone, anyone, with anything to offer will come to help them fight the battle for life. Someone in the Peace Corps. They'd like to stand up for themselves, these prisoners of fate, but they're just too weak to stand up. But with the Peace Corps a flame begins to flicker. They've seen other like you before. Seen the changes you can bring. Two thousand wells on the parched earth of Sahel. Seen how their knowledge helped reduce the grain losses. Who are they? They're people pretty much like you. People with commitment and skills who've assessed their lives and decided there must be more than just having a job. They looked into themselves and knew it was time for the talk to end and the work to begin. They're very special people, these people. Totally prepared to give everything they've got. And getting back even more than they give. That's the beauty of the Peace Corps. The work is hard and the pay is lousy, and the progress comes a drop at a time. But the rewards are infinite.

Join the Peace Corps and then take a good long look in the mirror. You'll never look the same to yourself again.

The Peace Corps is alive and well. Call toll free: 800-424-8580. Or write: The Peace Corps, Box A, Washington, D.C. 20525

## Alumni basketball game coming

The Parents' Basketball Booster Club of Donegal High School will hold an alumni basketball game on Saturday, November 26th, at 6:30 and 8:00. The current players and cheerleaders will be introduced.

The coaches and referees are all lined up, but alumni players are needed. Graduates of the Donegal area are eligible.

Prospective players and cheerleaders should call Hen Becker, 653-4793, to sign up. Please call by November 12th.

Four teams and four cheering squads will be made up. First, the "Over the Hill" team will play the "Has Beens." Then, the "Now Generation" will attack the "Still Going Strong" team.

A snack table of home made goodies will be available.

Proceeds will be used for the basketball banquet. Co-Chairmen are Liz Sarbaugh and Hen Becker.

We can't see the number, but we think that's Mummau picking up 2 extra points for DHS. The officials got plenty of opportunities to hold both arms up in the air last Friday.

## Donegal Braves meeting

The Donegal Braves Parents Association will meet on Wednesday, Nov. 9th at 7:30 PM at the Marietta Community House. All parents and members are urged to be present.

The agenda is: Old business; and election of officers for next season.

## Why blimps are called blimps

Everyone's heard of the Goodyear blimp, but few know that "the other guys," Goodrich, also had a blimp. It disappeared in the Great Lakes in 1919.

Goodrich, and also Goodyear, both built blimps, or dirigibles, for the Army during World War One. The military wanted a long-range airship to hunt down U-boats.

The word "blimp" is derived from the B-type limp balloon aircraft. It came to be called "B-limp" and then "Blimp."

## Indians trample Cocalico

The Donegal Indians knocked a few feathers off the Cocalico Eagles last Friday, with a 36-8 victory that tied an all-time record for DHS.

The Indians now have an 8-2 record, with one game (against bottom-ranked Garden Spot) left to play.

No Donegal team has ever won more than 8 games in a season, but the Indians will probably do just that next Saturday.

Lebanon Catholic has a worse overall record than the Indians (with only 5 wins) but leads by half a game in Section 3 play.

With six shut-outs under their belts, the Indians have given up fewer points this year than any team in the county.

Running back Pete Splain, who was benched with a minor injury for much of the game, managed to rush 148 yards on 15 carries anyway. The statistics aren't in yet, but Splain seems to have overtaken L-S quarterback Smoot, and will probably tally more rushing yards this year than any local football player.

Scott Mowrer, who would be the leading rusher of almost any other team in the county, added 144 yards. Splain and Mowrer racked up that yardage on only 15 carries each.

The Indian defense held Cocalico to only 6 first downs (their one touchdown was set up by a fluke 44 yard run).

Scott Jones scored twice for the Indians on short running plays. Quarterback Brian Ney scored on a quarterback sneak. Mowrer made a 10 yard run to the goal line and Arlen Mummau scored from 7 yards out. Splain kicked two conversions (and booted one kickoff to the Cocalico end zone). Mummau picked up 4 extra points and Moyer added 2.

If skyward-pointing fingers are any indication, Donegal fans think their team is still number one.
