## Advisory Committee for Business students meets

The Lay Advisory Committee for the Business Education Department of Donegal High met recently

with school administrators and Business Department faculty to discuss school and community expecta-

tions of business grads.

Mrs. Rudelle Wert, a faculty member, reported the results of a questionnaire she sent to DHS CIVIC graduates. The response indicated that former students feel that they would have benefited from more training in proofreading and telephone practice. They also felt that more computer experience would have been helpful; it was noted that DHS is now offering a new data processing course using a

computer terminal for an Elizabethtown College computer. Former students felt, also, that it would be a good idea to have more preparation for "office personality relationships."

The benefits and problems of the Career Elective Program for seniors were discussed from the point of view of both the school and participating businesses.

Representatives of local business attending the meeting were Charles Ricedorf, Dennis Fackler,

Nancy Bromer, and Jere Duke; school representatives were Ragnar Hallgren, Donald Drenner,

Harry West, Naomi Houseal, Charles Portser, and Rudelle Wert.

## Pack 136

Pack 136 Cub Scout committee meeting was held at the home of Robert W. Mark. Attending were Charles Heaps, John Auker, Carolyn Waltz, Loretta Dimeler, Ann Mark, Edna Wolf, Tina

Biesecker, Dana Mark, Thomas Smith, Myron Weber, and Mary Littlefield.

Three leaders are attending the University of Scouting: Mary Littlefield, Loretta Dimeler, and Walter Weidner.
