## Marietta ambulance fund drive begins

The fund drive for a new Marietta ambulance got started last Saturday at the Colonial Inn.

One contribution toward replacing the present 8 year old ambulance was presented by master of ceremonies Steve Bailey to Albert Dettinger, president of the board of directors of the ambulance association:

a check for \$200. The money was earned by crew members in fund raising activities.

Steve Bailey noted that the ambulance made more than 180 runs this year. To raise more money for a new one, crew members will distribute flyers and envelopes to all area

residents. When the crewmen contact you, remember that the ambulance people are working for you with no remuneration. The money you give could easily benefit you or your loved ones directly.

Speakers at the banquet were: Paul Graeter, regional coordinator of the PA Emergency Health Services

Federation; Police Chief James Millar (representing Mayor Flanagan); and Albert Dettinger. Each crew member was given a certificate of appreciation for their services.

25 pieces of new equipment have been added to the ambulance's outfit this year.
