Mount Joy Jaycees NATIONAL JAY

Earth's Greatest Treasure...
 Lies in human personality; as taken from the Jaycee Creed, is a belief which we would like to stress during this year. It is around this belief which Jaycees center their 'Leadership in Action' Series. Those programs are aimed at improving the Jaycee's self image, attitudes, speaking ability, relationship with others, and personal skills.

If you are between 18 and 35 years of age, and are interested in improving yourself and your community, please contact membership chairman, Jeff Brown at 653-2598 or any local Jaycee.

The Mount Joy Jaycees would like to thank all those who supported their projects during their 26th year. We are looking forward to serving the community even more in years to come.

The Jaycee Creed

We believe:

- That faith in God gives meaning and purpose to human life;
- That the brotherhood of man transcends the sovereignty of nations;
- That economic justice can best be won by free men through free enterprise;
- That government should be of laws rather than of men;
- That earth's great treasure lies in human personality;
- And that service to humanity is the best work of life.

**Jim Wetzel
 Jaycee President**

PRESIDENT'S MESSAGE
 As president, I'd like to take this opportunity to thank those in the community that have so generously supported the Jaycees this past year. Our belief is that faith in God and service to humanity are the greatest treasures of human personality and are the foundations on which we build to create a better world for the youth of tomorrow. Jaycees have been one of the greatest experiences in my life and I invite you to share that experience by joining Jaycees and becoming what you ought to be and helping others become what they ought to be through Jaycee beliefs and goals.

Jim Wetzel,
 President
