Dear Editor,

I would like to clear up a misunderstanding that you seem to have. It concerns your coverage on the Jaycees' Prayer Breakfast and their DSA banquet. For some reason you have been reporting that I would not be appearing. I don't know when or how you got this information, but I

would like to state right now that at **NO** time was there any question that I was not going to attend both the Prayer Breakfast and the DSA banquet!

I enjoyed going to both events, as planned, and thank the Jaycees for inviting me as their guest.

"Miss Mount Joy"

Open Letter to Marietta Borough:

During January, I witnessed Christianity at work in Marietta. To combat the problems of snow, ice, flood waters, etc., many volunteers worked diligently for days and nights on end. They left family, work and social activities to help anyone in need. I personally observed true love, care and concern for one another.

With the threats of

flooding likely to recur this winter, it is comforting to know that there is this unity in our caring for our neighbors, especially those on Front Street.

I don't know which churches were represented by the volunteers, but I'm sure God must have been pleased. What a grand way to glorify the one God of us all! Praise the Lord for His work through the humble People of God.

An Observing Resident

Ruth Moore is named Woman of the Year by Welcome Wagon Club

by Sharon Roberts

The Mount Joy Welcome Wagon Club held its January meeting Tuesday the 24th at the American Legion.

The highlight of the evening was the honoring of Ruth Moore as the Welcome Wagon Woman of the Year, for her services to the club and the community. Ruth moved to the Mount Joy area after retirement from K-Mart in 1973. She joined the Welcome Wagon Club and has been very active since. She held the office of Treasurer, and has chaired the Bazaar, Craft, Member-

ship, and Community Service committees. All projects of the club are for the benefit of the Mount Joy community and she has been an active participant in them all, from teaching crafts at the Schock Home to rolling paint on the Library walls. Ruth is the kind of person who can be depended on, and is willing to help out wherever she is needed.

The Mount Joy club is proud of Ruth Moore. She is an asset to the club and the Mount Joy Community and is quite deserving of the title Welcome Wagon Woman of the Year.

La Leche to meet
