Letters

Dear Editor,

As a subscriber of the Susquehanna Times I would like you to know I enjoy reading your paper.

However, I do not hesitate to let you know of disappointment in reading the off-color joke that you printed in the front page of the Times which was quoted at the banquet in honor of Bruce Sutter.

I feel it was in poor taste and not necessary. Bruce has done well in reaching his goals in the field of baseball and I believe that for the amount of space given to the report on the banquet held for him, certainly much finer quotes could have been printed and the M.C.'s omitted.

Letter to the Editor:

This letter is being written on behalf of all the members of the Maytown-East Donegal Township Fire Company, as well as, our Ambulance Association to the Ladies' Auxiliary for their very generous donations to both the Fire and Ambulance associations.

At their monthly meeting last week our auxiliary voted to donate \$1000 to our Fire Company towards the purchase of new fire coats for our firemen. In today's market of ever growing prices, equipment for emergency personnel or vehicles sometimes is too great for a small organization to purchase. We feel fortunate that the ladies of our auxiliary believe in what we are trying to do each time the siren blows—that being the saving of human lives and valuable property. Maybe some people don't feel as firemen or ambulance people do, but ask a fireman to risk his or her life to save a child or any human being and they will try. Equipment plays so large a part in emergencies today, and without good equipment, the job can't be

done efficiently.

Our ladies have come to help us many times in the past and perhaps weren't given the credit they rightly deserve, but they pitch in anytime to help the organizations like the Fire Company and Ambulance. We will continue to strive to serve our town and surrounding area of East Donegal Township with good equipment and manpower, whatever the emergency.

We need the support of everyone in East Donegal Township and Maytown to continue our efforts. What we are trying to do is not lose—lose a life, property, and yes, our own people. We sincerely thank you ladies for your donation, it will provide our firemen with the most modern safe coats money can buy.

Our Ambulance Association also thanks you for the donation to help repair and equip our ambulance. Whatever the need, the Auxiliary has helped—for that we say, "Thank You So Much."

Respectfully,
Jack B. Doutrich
Pres., Maytown Fire Co.
Crew Chief, Maytown-East Donegal Ambulance Assoc.

Plans were completed for a one-day trip to New Jersey and the Radio City Music Hall on April 3rd. Refreshments were served.
