Vo-Tech students compete in State contests

Three students at the Mount Joy Vo-Tech school competed in the state DECA contest at the Host Resort. They were Heidi Herr, Bob Reese, and Ron Smith. Smith won a first prize in advertising; Herr placed fourth with her

apparel manual; and Reese was one of six finalists statewide.

Cindy Kemmick, a junior from Donegal High, was one of the two voting delegates for the Mount Joy Vo-Tech.

JEFF HAWTHORNE

Jeffrey Hawthorne, formerly of Mount Joy, has just received his Master's Degree from Loyola University in New Orleans. He has accepted a position as senior systems analyst with BancOhio in Columbus, Ohio.

Jeffrey is the son of Grace E. Hawthorne and the late Harvey W. Hawthorne of Mount Joy.

JACK LOOSE

John W.W. Loose was re-elected secretary of the Heritage Center of Lancaster County recently. The Heritage Center is a non-profit organization dedicated to early Lancaster County crafts. It is currently preparing an exhibition to be shown in Lancaster's Old City Hall.

Some people never forget a face, now some telephones never forget a number.

Some people never forget a face.

But how many of us remember phone numbers? Even important numbers? That's why there are little black books and big thick telephone directories. But alas, little black books always seem to be a year or two out of date. And telephone directories aren't always handy. Fortunately there is TeleDialer 32.

Electronic Telephone Directory

TeleDialer 32 is an electronic telephone directory that remembers up to 32 numbers for you.

All you have to do is record the number you want to remember. Then, whenever you want to call the recorded number, simply push the appropriate button and your call is speeded to completion.

Your Personal Emergency Numbers

There are four special color-keyed emergency buttons at the top of your TeleDialer 32 unit. Just push one of these buttons and you can quickly and automatically reach the police, fire department, family physician, ambulance service or any other emergency number. For example: If you are going out for the evening you can pre-record the

number where you can be reached. Then just tell the babysitter to press the appropriate button if she needs you.

The End of Sorry Wrong Number

TeleDialer 32 is completely error free. Once a number is recorded, TeleDialer 32 will continue to dial it correctly—time after time after time.

No more misdialled numbers. No more bothering with the Operator for toll call credits. And no more loss of valuable time.

Lets You Make Manual Calls and Repeat Calls

TeleDialer 32 can also be used to dial calls manually. Simply lift the receiver of your telephone, wait for the dial tone, and use the dialing buttons on your TeleDialer 32 to place your call.

When you place a call this way the number is automatically remembered. If you want to repeat the call, all you have to do is press the "last number dialed" button.

For Businessmen, Diplomats and Housewives

The values of TeleDialer 32 for business executives

are many. But don't think TeleDialer 32 is only for the President of General Motors.

Its low rental price and many special features make it a useful tool for salesmen, purchasing agents, secretaries, professionals, and shop owners.

And, for the home, TeleDialer 32 is like having a personal secretary placing calls to family, friends, shops, schools, beauty parlors—and remember how important those emergency buttons could turn out to be.

For the full story of TeleDialer 32 just contact your local business office today.
