An auction to benefit diabetes research will be held on Saturday, April 29, at 7:00 PM at the Hershey Community Theater, Hershey. New and used items will run the gamut from lawn mowers to cameras. Inspection starts at 6:00.

State Agriculture Secretary Kent Shelhamer urges people to keep their dogs under control as required by law.

"Our dog law officers cannot be personally responsible for the behavior of the large dog population of Lancaster County," Shelhamer said. "Under the law, dog owners are responsible for any damages caused by their pets."

The state law of 1965 requires licensing of all dogs older than 6 months by January 15th of each year.

"Anyone who truly cares for their dog will have it licensed and keep it at home, out of trouble and off the road," Shelhamer opined on this point.

Mystery Photo still a mystery

This Mystery Photo, run several weeks ago, got only one official postcard response from B. Loercher of Manheim. He thought it was an out-of-focus picture of the letter "K" someplace. Another local man confidentially told us it looked to him to be a time exposure of two naked people dancing.

Due to the lack of popular interest, and the fact that we forgot just what this object is, this particular Mystery Photo will remain forever a mystery.
