

Bike-A-Thon

A Bike-A-Thon for cystic fibrosis will be held in Marietta on Saturday, May 13th. This benefit will raise money to fight the No. 1 killer of children among inherited diseases.

"This is a fun way of raising money for a worthy cause," said Rev. Thomas Wood of the English Presbyterian Church, who is sponsoring the event.

Volunteers for the 3.8 mile course can be any age—in fact, kids on tricycles are welcome to

enter. Prizes will go to the eight most-sponsored riders. For information and forms, call Rev. Wood.

The Bike-A-Thon will form up at Riverview School at 9:00 AM, wend its way to the Post Office and back again.

Cystic fibrosis victims' life expectancy has been increased by advances in medicine... but a cure is still not available. The money raised by the Bike-A-Thon will go for research toward that cure.

May Queen at Beahm Jr. High

Shown above are the Beahm students who participated in the May Queen contest last Friday. The younger kids standing in the center of the circle are flower girl Amy Bollenbacher and her escort, Daniel

Stoner. Last year's queen, Dory Hummel, stands in the rear with her escort, Steve Brackbill.

The others are, in no particular order: Karen Mummaw, escorted by Ken Gelb; Tammy Matheny, escorted by Tom White; Judy Rice, escorted by Larry Gilbert; Cindy Beaston, escorted by Frank Smith; Gay McKain, escorted by Ron Kennedy; Kim Derr, escorted by Mike Matheny; Jobeth Sheaffer, escorted by Jerry Henry; and Michelle Yohe, escorted by Rich Zink.

After the crowning, the new queen and her escort [Gay McKain and Ron Kennedy] danced the first dance. Then, the entire student body, all dressed to kill, took to the dance floor.

The May Day celebration was arranged by the Student Council. Each contestant was elected by the votes of boys and girls in their sections, and Gay was elected by the votes of the entire school.

Letter

Dear Editor,

Just a note to let you know that Dean Rice will be celebrating his 44th birthday on May 15th.

Dean and Phyllis Wolgemuth Rice will be celebrating their 24th wedding anniversary on June 13th.

We live in Santa Barbara Calif. now, but we grew up in Marietta. Dean attended Marietta High School and Phyllis was in the last graduating class of East

Donegal Township High School.

We have a good business in Santa Barbara. The name of the business is Goleta Valley Vending. Goleta is a suburb of Santa Barbara.

We really enjoy reading the *Susquehanna Times*. Every now and then, there are names and pictures of old friends and acquaintances.

Sincerely,
Mrs. Dean Rice

Dear Editor:

The Mount Joy Jaycees would like to say "Congratulations," and wish Rick Rossman good luck in the national competition.

At this point I, Robert Stoner, the current president of the Mount Joy Jaycees, would like to thank

the citizens of the Mount Joy area for their support over the past 26 years.

We, the Jaycees, feel that our community is one to be proud of. Our Memorial Day Parade Float will be a salute to Mount Joy.

Robert Stoner

Pay no attention

to that man behind the curtain

The great and powerful Wizard of Donegal

attempts to dumbfound populace

The Great and Powerful **Wizard of Donegal** recently sent some puzzles to the *Times*. "Bring me the answers to these puzzles," he roared, "and I will send you some more."

Readers are invited to wrack their brains.

Here is the 1st puzzle: Complete this sequence of numbers—8, 5, 4, 9, 1, —what?

The 2nd puzzle is this: take matches and arrange them as shown in the diagram below. Moving exactly two matches—no more, no less—change the five boxes into four boxes of the same size and shape as the original ones. All matches must touch at the corners only.

Good Luck!

Correction

In last week's article about Mrs. Flanagan's baby shower, it was wrongly stated that the shower was given in part by the Mount Joy Welcome Wagon. This should have been parents of the students.
