### TV violence on trial on TV

A different sort of TV program will be broadcast over WITF (channel 33) at 9:00 PM on May 23rd and noon on May 28th.

The show will document the murder trial of Ronny Zamora, whose lawyer tried to get him off by blaming

15-year-old Ronny's TV viewing as the real culprit in the murder of an old woman. The lawyer said that the boy killed due to "subliminal television intoxication."

This trial was the first ever filmed for TV showing, strangely enough.
