SALUTE to the DAIRYMEN

Thanks To Them, Our Community's Growing Strong

The Dairy Industry contributes much to building this community's economy, improving local business and farm income. And our local Dairymen play an important role in seeing that all products are processed and prepared under the best possible conditions... supplying us with a variety of farm-fresh, protein-packed foods every day.

Dairy-farms products like milk, cheese, eggs, butter... are an important part of every family's daily diet. And as every family knows, the nutritious value of these energizing foods are a "must-have" for growing children and active adults alike. Let's put dairy products at the top of our shopping list during Dairy Month... and throughout the year.
