Nationwide
"live wire" claim
service.
Anytime, any place,
24 hours a day.

When a Nationwide policyholder has an auto insurance claim, a call on the nearest phone, anytime day or night, gets action started. And in most cases, within 48 hours after proof of loss, the claim is settled. That's what Nationwide's "live wire" claims service can do. And when your car's been put out of commission, that kind of speed can make a big difference. Call a Nationwide agent. Ask about our "live wire" claims service. It's an important part of Nationwide's blanket protection for your family or your business.
