Reel-O-Matic Systems, Inc., 418 Hellam St., Wrightsville, was the purchaser of Riverview Towers, the castle-like mansion on the edge of Marietta which was bought at auction recently for \$140,000.

Reel-O-Matic, which makes wire and cable handling equipment, is a part of WWS, Inc.. WWS

## The fifteen cent stamp

by Chester Wittell

I don't mean to gripe or grind.  
To raising prices I'm resigned,  
But if I may have leave  
To get rid of a peeve,  
I wish the P.O. would make up its mind.

A letter in the century's morn  
For just two pennies could be borne  
But Topsy-wise (how true!)  
The stamp that we once knew  
Grew up faster than a stalk of corn.

Though I admit I may be wrong,  
I've got a feeling and it's strong,  
That—sunshine, wind or rain—  
The ball will bounce again,  
And the fifteen-cent stamp won't last very long.

I know that credit pens write black,  
But P.O. ink is red. Alack!  
Who ever thought there'd be  
A future day when we  
Would want to bring the carrier pigeon back?

## Marietta council threatens to demolish building

Marietta Council will consider demolishing a house at 468 Wasp Street if the owner, Lancaster realtor Robert Plank, does not renovate the place by August 1st. Council also charged that another house (not owned by Plank) at 404 East Front Street is "unliveable, hazardous, and deteriorating."

Both houses have been for sale for a long time, but so far, no buyers have appeared.

Councilman Dave White announced that \$85,000 from the Lancaster Redevelopment Authority will be used to fix up the Union Meeting House in the borough. The money will become available July 1.

Ronald Perry and Roy Kibler were appointed to the zoning board. They will replace Henry Rich and Steve Bailey. Mr. Rich resigned and Mr. Bailey has been too busy to attend to his duties. The third board member is James Sargen.

Four employees were hired under the Comprehensive Employment and Training Assistance program. They will maintain and supervise Memorial Park. The four are; Dale Larkie, Jay Easton, Arthur Heiland and Nancy Donley.

Council warned that residents who violate the sidewalk, trash and weed ordinances will be prosecuted if the conditions are not corrected within ten days of the violation.

Council will advertise for bids for snow removal and other services on an "as needed basis."

A report on Project Tremendous was read. Fifty thousand federal dollars have been spent and 195 trees have been planted in the borough.

One of the four dugouts in Memorial Park has been condemned.

The town flagpoles will be painted.

Raymond Miller, of the Mennonite Central Committee, attended the council meeting to ask if Marietta residents wanted a "re-use it" shop. He was told that the recently completed borough survey indicates that the people want clothing and shoe stores.
