

Donegal School Board passes 3 mil increase

The Donegal School Board adopted the 1978-79 budget with a 3 mill increase. The 1977-78 rate was 103 mills. The total budget will be \$4,571,451, an increase of \$95,043 or 2.1% over the 1977-78 budget.

Governor Shapp's Pennsylvania budget for next year does not include the increase in Pennsylvania subsidy the school anticipated for their 1978-79 budget. The Pa. Comptroller, Grover H. McLaughlin, sent a letter to Dale Arnold, Donegal School Board president, commending the staff for the excellent results attained in the management of their financial resources during the 1975-76 fiscal year, and suggested that the commendation be made part of the minutes at the June 15 board meeting.

Donegal plans to participate in the Lancaster Pa. School Employee Service Sub Teacher registry in 1978-79.

Donegal will be one of five districts planning pilot program participation in 1978-79. (Columbia, Pequea Valley, Manheim Central and Manheim Twp are also planning to participate.)

The school will still maintain its own approved sub list, and pay subs at its

rate and terms. Lancaster PSES will maintain a 24 hour call system, and notify the buildings of subs assigned daily.

Names can be added or removed from the district list at any time. The PSES will keep a list of sub assignments and rejections in these five districts to reduce eligibility for unemployment compensation claims. This should reduce costs in this area, as well as enable schools to obtain certificated subs in all areas.

The board adopted the district's 1978-79 school calendar with teacher in-service day - Tuesday, September 5 and student entrance, September 6, and closing set for June 6, 1979.

School Board Meeting dates for 1978-79 continue to be the third Thursday of each month at 8:00 PM in the District Office and the annual reorganization meeting Thursday, December 7, 1978. (No other meetings in December). Permission was granted to James Zuch, grade 9 Science teacher, to participate in Crustal Evolution Education Project (CEEP) for field testing by PDE during 1979 winter term. Orientation meeting for participating teachers during a Saturday in fall. Project sponsored by Na-

tional Association of Geology Teachers and funded by National Science Foundation. Approximately 20 class periods on Crustal Evolution continuing 10 lab-oriented activities.

Donegal will form a committee of volunteers from Board, teachers, administration, parents and students to examine discipline and set guidelines and meeting plans. The committee will be chaired

by board member, Jere Duke.

Mary-Margaret Peraro was granted permission to use the school facilities two half days per week to conduct summer sessions for 15 Dramatic Club members to prepare oneact plays for presentation to civic groups next year.

Germer, Zimmerman to attend Rotary leadership conference

Diana Germer, R.D.#2, Mount Joy and Rebecca A. Zimmerman, 122 S. Barbara Street, Mount Joy are among more than 70 outstanding high school leaders representing 35 high schools in a seven-

county central Pennsylvania area who will meet on June 19 at Cedar Cliff High School in Camp Hill during the First Annual Leadership Day for Girls. Their trip will be sponsored by the local Rotary Club.

Angela Miller dances up a storm

Miss Angela Miller participated in a recital of Miss Eloise's School of Dancing which was held on June 30th in the auditorium of Penn Manor High School in Millersville. It was sponsored by the Soroptimist Club of Lancaster.

The 1978 theme was dancing through school. Angela performed a jazz solo number representing the subject of geography, specifically states of the Union. She also did a Spanish tap dance, representing Spanish as a school subject.

Angela is 9 years old. She is a member of Assumption B.V.M. Church in Mount Joy. She has studied dancing for six years. She and her two brothers, Steven and Gregory, live with their parents, David and Katherine Miller, on Donegal Springs Road.
