# You can "bank" on this "Coin Phone"

Start the conversation off on the right foot. This 'Coin Phone' can be the perfect addition to your family room, game room or just about anywhere you would like to have your own decorator 'Coin Phone'.

You don't need coins to make a call. But by depositing coins for each call, the 'Coin Phone' becomes a unique savings bank.

The 'Coin Phone' dials just like any other dial coin telephone.

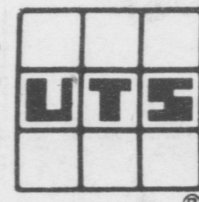

Add your favorite photo to the area normally used for dialing instructions. Or to add to the authentic look, request a copy of the dialing instructions normally used in your area.

Choose from five decorator colors including:  
 . Cherry Red  
 . Harvest Gold  
 . Moss Green  
 . Black  
 . Graffiti A "natural" model containing years of scratchings and etchings made by phone users.

You have easy access to those coins deposited.\* And who says nickels and dimes don't add up. These savings could help pay for the phone in no time.
