Maytown Ambulance Assoc. meets

The Maytown/East Donegal Ambulance Association held their monthly meeting on July 14th at the Maytown Fire Hall. Crew chief Jack Doutrich was in charge of the meeting, and presented the ambulance report.

For the month of June, there were six calls: 1 emergency call for a boy hit in the face with a golf club; 1 car accident; 2 routine transports; 1 standby at the town picnic; and a standby for the Marietta Ambulance.

Crew members are planning an antique flea market and chicken barbeque to be held on Saturday, September 30th on the fire company grounds. Deb Smeal was appointed to head the committee in charge of the big event. Readers are advised to watch for future announcements on stand rentals, etc. in this paper.

Maytown Ambulance is also sponsoring a \$1000 giveaway, with winners to be drawn on November 4th of this year. Frank Splain Jr. is the project chairman. Tickets can be purchased between right now and the day of the giveaway.

Members voted to participate in the annual Woodsmen's Festival of the Forest Fire Crew, which is slated for September 7, 8, and 9 this year. The ambulance crew will have a

stand at the festival.

The Ambulance Association will have more projects coming up as they work toward buying a new ambulance, so as to better serve the people of East Donegal Township and the surrounding areas.

Linda Thomas and Dennis Ebersole were accepted as members of the Ambulance Association at the meeting. If any person reading this would like to join, he or she should contact a crewman or write to the Association at P.O. Box 578, Maytown, PA 17550.

The members voted to donate an emergency first aid kit to the Ladies Auxiliary of the Maytown Fire Company. They appreciate the fine work being done by the Auxiliary.

Ambulance crew members want to express their gratitude for the cards of thanks and donations they receive each month.

The next meeting of the Maytown/East Donegal Area Ambulance Association will be on Thursday, August 10th, at 7:30 PM. All members are urged to attend to help make some decisions important to the future of the Association. There will be a business session, discussion on evaluation of calls, and a training session, if time allows.
