

Mrs. John Benner

Donna J. Lauver marries John Raymond Benner

The marriage of Miss Donna J. Lauver to John Raymond Benner took place on Saturday, July 22, at 2:00 PM at the Congregational Bible Church in Marietta. The Rev. John S. Hiestand officiated.

The bride is the daughter of Mr. and Mrs. Robert S. Lauver, 24 West High Street, Maytown. She is a graduate of Donegal High School. She is employed by Lucas Manufacturing Co., Columbia.

The bridegroom is the son of Mr. William Stoner, 620 Union Street, Columbia, and the late Mrs.

Alveta Benner Stoner. He is a graduate of Columbia High School. He is employed by Colonial Metals Co., Columbia.

The bride wore a gown of organza over taffeta featuring a scoop neckline and long full sleeves. The bodice was adorned with venise lace and pearls. The gown had an empire waistline and an A-line skirt trimmed with venise lace. It flowed into a chapel train.

The bride chose a cathedral-length mantilla with venise lace.

Tammy Baker of Columbia was the maid of honor. Bridesmaids were: Miss Jessie Oberdorff, Elizabethtown; and Mrs. Shirley Waller, aunt of the bride, Columbia.

Serving as the best man was Edward Benner, brother of the bridegroom, Columbia. Ushers were: Donald Lauver and Robert Lauver, brothers of the bride, Maytown; and Earl Reisinger, Columbia.

Bridal showers were given by the maid of honor and by the bridesmaids.

The couple will live in Columbia.

Philatelists discuss bourse

Mount Joy Stamp Club

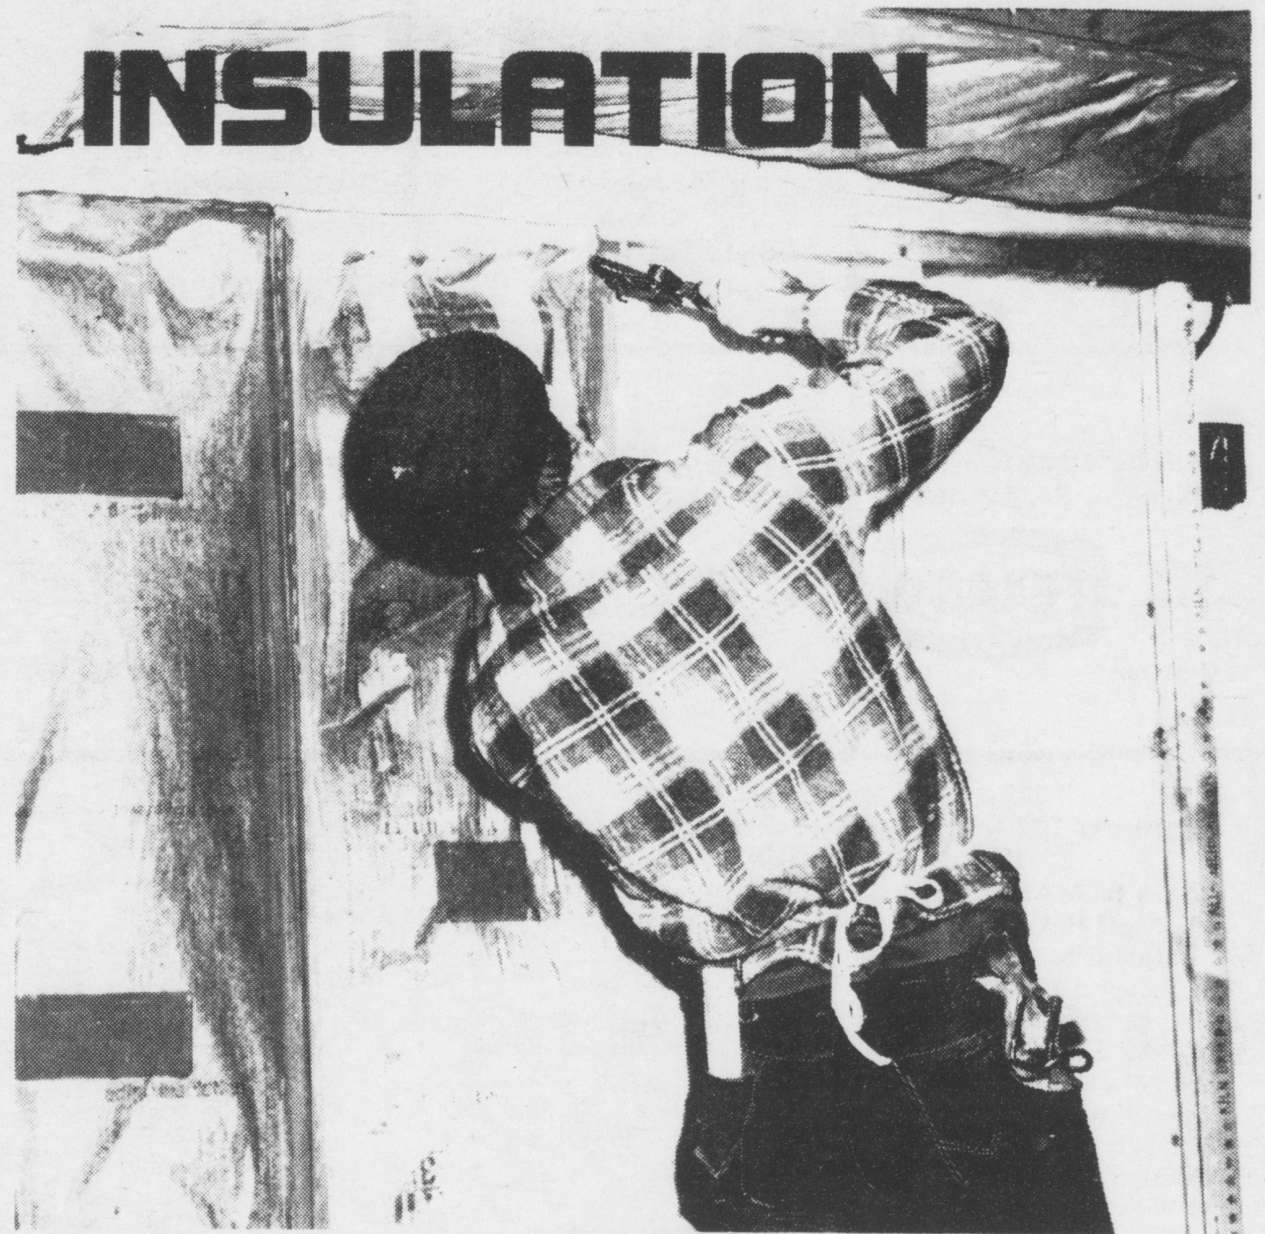

The Mount Joy Stamp Club held their regular monthly meeting recently at the home of the president Mrs. Joseph Shaeffer. Myrtle Brown presented the secretary's report and Richard Dillingner the treasurer's report. Asher Schroll was appointed to be the club's representative to the American Philatelic Society. Those who ordered United Nation stamps, received them at the meeting.

Stamps were discussed, the one in particular was

the sheet sold at the International Stamp Exhibition which was held in Toronto, Canada. This sheet will be available in the United States at philatelic windows in post offices. It can be purchased now through dealers.

The possibility of holding a stamp bourse next year was discussed and Asher Schroll will check the possibilities of holding the bourse. The time and location will be discussed at later meetings.

The next meeting scheduled for August 2 will be a picnic for the members and will be held in Sico Park. The stamp club has some canceled stamps available to young people just starting stamp collecting as a hobby. If there are certain ones needed, write to the Mount Joy Stamp Club, P.O. Box 222, Mount Joy, 17552 and state your needs. Persons interested in stamp collecting as a hobby can join the club, membership being \$2.00 per year.

If you're planning to buy an electrically heated home...

Energy-Efficient Homes Offer More

Insulation not only adds comfort to your home but saves you money season after season. In winter, it holds heat in to lower heating bills. In summer, it keeps your home cooler to reduce air conditioning costs.

That's why PP&L approved Energy Efficient homes are super insulated. In ceilings this means insulation with a thermal resistance value of R-30. Exterior walls are R-16 which includes insulating sheathing. And, in floors over unheated areas such as basements and garages, you'll find insulation rated at R-19.

Doors and windows must meet PP&L's insulation requirements, as well. Fact is, everything that should be insulated is right down to hot water pipes and heating ducts.

So, if you're thinking of a new electrically heated home, look for one that qualifies for the Energy Efficient Home Award. It's your assurance that you'll be getting the most practical energy-saving features money can buy.

If your builder is not familiar with the requirements of an Energy Efficient Home, call PP&L.

Ask for a residential consultant who can supply you with materials and equipment specifications and builder information.
