"The older she gets, the nicer she gets"

"The older she gets, the nicer she gets," says Darvin Rodgers, Jr., of his cow Valley-Pond Arban Glenna [just Glenna for short], shown with Darvin above.

Darvin, of RD1 Marietta, has won 24 ribbons by exhibiting Glenna at farm shows around the area. The lowest order of prize Glenna has ever brought home was an 8th place.

Glenna is five years old, and is already a grandmother. Darvin owns her daughter and grand-daughter also.
