### DID YOU HEAR?

Zelda Heisey of Mount Joy called our attention to news report, in another

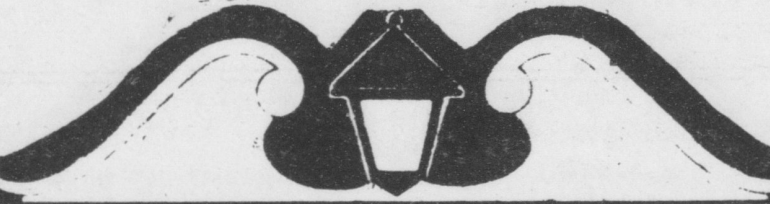

newspaper, concerning flooding problems in Mount Joy's "Psycho Park." Ms. Heisey also made some witty comments on the spelling error.

### The Optimist Creed

If you are interested in holding to friendships and building new ones it may be helpful to remember the following admonitions as uttered by Forrest Kirkpatrick:

- Don't be inquisitive about the affairs of even your most intimate friend.
- Don't underrate anything because you don't possess it.
- Don't conclude that you never had an opportunity in life.
- Don't believe that anybody else is happier than you.
- Don't believe the evils you hear about people.
- Don't repeat gossip, even if it does interest the crowd.
- Don't give compliments that are lacking in sincerity.
- Learn to hide your heartaches and your woes under a pleasant smile.
- Happiness is created - learn how to create it.

## Know a good haunted house?

The March of Dimes is looking for a haunted house for this year's Halloween fund-raising event. Last year's house was ideal, but it burned down recently.

Individuals and community service groups are

asked to help locate a new site. The haunted house should be, preferably, old and isolated, run-down, deserted, and very very spooky. If you know of a suitable house, call the March of Dimes at 397-6131.

## Before You Buy Central Air Conditioning, Check the E.E.R.

**IT CAN SAVE YOU MORE THAN ENERGY.**

Energy Efficiency Ratio is defined as the amount of cooling obtained by dividing BTU/HR output by the electrical watts required to produce this value represents the relative electrical efficiency of air conditioning equipment.

Let us show you in dollars and cents how a high efficiency Rheem system can actually save you money in operating costs, even though the initial investment may be slightly more. Call us for complete details.
