...the kids
 [continued from front page]
 "The police are always hassling us," Jim said.
 "About a week ago, seven of us were arrested for loitering," said another. "Each of us had to pay a \$51 fine."

Gordon Yohe, Jr., said, "I've been warned. I can't sit anywhere along Market Street."

The theme that kept coming up was lack of recreation facilities. Jim Hess, for example, likes to play tennis. But, he says, he can't find many people to play with.

He admitted that loud obscenities were frequent in front of Marco's, but stated that much of the noise came from certain neighbors of the pizza place who didn't like Marco.

"They chased us away from the river," said a boy who looked to be about 14. "The youth center's closed. This is the only place we have to go."

"They ought to put a swimming pool in the old school building and let us swim there," volunteered another.

"They wonder why we get high," put in a third. "They should have a youth recreation center."

"A disco."
 "Anything!"

Donegal Mutual Insurance Co.
building new wing

Currently under construction is an 80 x 84 addition to the existing Donegal Mutual Insurance Building, Route 441, Marietta. Of complimentary design and size to the original structure, the East wing is anticipated to be completed in October. The new offices will house Casualty Claims Division on the first floor, records in the basement and rooms for expanding on the third.

Wickersham Inc., Lancaster, is the contractor for the three story addition and Bosco (Buckart) York, serve as engineers and architects.

Cost of the new construction is estimated to be \$750,000. When completed, the structure will include 57,000 square feet.

The original structure was built in 1961 having a west wing added in 1972.

Donegal Mutual Insurance was named in the 1950's and is an outgrowth of Donegal and Conoy Mutual Fire and Casualty Insurance Company which was established in 1889. The company includes all phases of insurance except life, accident and health insurance.
