This year's campaign was kicked off on Tuesday, September 5 and continues until Thursday, November 18. Our goal of \$2,660,000 is another tough one, but we're confident, with your support, we will meet our goal for the first time in over a decade. Out there is "thanks to you, it works...for ALL OF US" is certainly applicable here.

Thanks to you, it works ... for all of us.
