Center helps Marietta Youth

The Marietta Youth Center located at the east end of Front Street has an exciting program for youth in Marietta. Our goal is to provide young people with supervised activities for physical, social, and spiritual growth. All of our leaders are mature Christians attending the Congregational Bible Church. Twenty-seven counselors are involved each week leading the different activities. Their desire is to get to know the young people as friends to help them find meaning and love in a world that is often very depressing and frustrating.

Any interested youth is encouraged to attend the activity of his choice. If you have any further questions, contact Gary Newton at 426-2514 or 426-1345.

Marietta museum will be open

The Marietta Restoration Associates, in cooperation with Mr. and Mrs. Henry Lenhart, curators of the Old Town Hall Museum, will hold a special program on Thursday, October 19, 1978, at the museum.

The Old Town Hall, located at Waterford and Walnut streets, was slated for demolition 17 years ago, but the concern and efforts of Henry and Miriam Lenhart saved the building. The building is now registered with the Lancaster County Historic Preservation Trust and is one of the significant buildings which comprise the Bational Historic District in Marietta.

The museum will be open from 7:00 p.m. until 8:00 p.m. and The Restoration Associates will hold their regular monthly meeting at 8:00 at the same location. The public is welcome to attend both.
