## Trick or Treat Oct. 31

Last week the *Susquehanna Times* made an error in reporting the hours for trick or treating in the area. We said that this would happen in Mount Joy on October 31st, when actually it will be on October 30th—as it will in Marietta and the township.

Here again are the hours

for trick or treat and for safe driving.

Watch those kids!

**Maytown and the township**—6:00 to 9:00; **Marietta**—7:00 to 9:00; **Mount Joy**—6:00 to 9:00.

Parents are urged to make sure their kids trick or treat safely.

## Road Rally Reminder

If you want to participate in the annual Mount Joy Jaycees Road Rally you'll have to cruise out to the Mount Joy Vo-tech School at 1:30 PM this Sunday to register. The first car will leave at 2.30.

Don't forget your \$5 registration fee (which covers refreshments at the end of the 43½ mile course). For details, see last week's *Susquehanna Times*.

## New hours at Health Center

The Donegal Conoy-Family Health Center announces changes in its hours of operation.

Medical appointments are available from 9 - 5 on Monday, Wednesday, and Friday, and from 12 - 8 PM on Tuesday and Thursday. Dr. Richard A. Charles is the physician at the center.

Keith Steward, D.M.D., provides dental services on Monday from 9 - 5 and on Tuesday and Thursday from 12 - 8 PM. On-call coverage is also provided for nights and weekends.

For further information or appointments, contact the Donegal-Conoy Family Health Center, 653-1431.

## Bell Tower down

The old Union Meeting House looks a bit forlorn without its bell tower, but the church will soon be restored to its original, tidy [though towerless] beauty, thanks to a \$103,000 federal grant.

As part of the restoration of the old Union Meeting House on Waterford Avenue, the Marietta Restoration Associates began the demolition of the bell tower on the old building. The tower is separating from the main structure, and is not part of the original building.

The restorationists have allocated \$1500 for the project, and the Redevelopment Authority has given \$103,000. The structure will be totally restored.

The original cost of the building, in 1823, was \$1477.40. The meeting house has always been open to any sect or

denomination wishing to use it, by its charter. By the borough's decree of 1818, the year construction was begun, all protestant Christians can be buried in the yard.

Bricks recovered from the bell tower will be saved for rebuilding the south wall, which is deteriorated.

Volunteers have been digging around the house on Saturdays, and have turned up some old artifacts: buttons, china, and so on.

The restorationists plan to apply for more money at some future date to complete the restoration of the Union Meeting House.

The Maytown crew poses with their shiny new ambulance. Right to left, kneeling, are Dennis Ebersole, Sheila Doutrich, Frank Splain, Jr., and Mel Sheuing. In the rear, right to left, are Jack Doutrich [crew chief],

Bill Kanoff, Debbie Smeal, Linda Thomas, Larry Warfel, Charles Shaffner, Robert Lively, Dan Ebersole, Frank Splain, Sr., and Robert Smeal were not present when this photo was taken.

## Maytown unveils new ambulance

The October monthly meeting of the Maytown Ambulance Association was recently held at the Maytown Fire Hall. Crew Chief Jack Doutrich reported the Association Ambulance responded to a total of 15 calls for the month of September. The association has recently purchased a 1973 Dodge Maxi-Van, which will be replacing the Cadillac ambulance currently in use by the Association. The purchase of the newer unit will enable the Association and its members to better serve the Maytown community and the many residents of East Donegal Township.

The Ladies Auxiliary of the Maytown Fire Co. have donated a new Blood Pressure Cuff for large patients. Members of the Association are very grateful for this much needed item for the ambulance.

Thanks also to the many people who supported the Flea Market and Chicken Bar-B-Que recently held by the Ambulance Association.

Plans are being made to possibly enlarge for next year's planned flea market.

Tickets are still available for the Association's \$1,000 Give-A-Way. See any crew member. Drawing will be Saturday, November 4th at the Maytown Fire Co. Game Night.

Members have voted to purchase a new radio and a 40 channel C.B. set for better communications to area hospitals and to other emergency vehicles and services.

Sheila Doutrich, Paul Murhy, and Linda Thomas have been accepted as new members of the Maytown Ambulance Association.

The next monthly meeting of the Association will be Thursday, November 9 at 7:00 PM. All members are urged to attend for nominations of officers for 1979. Elections will be held at the December meeting. Anyone wishing to join the Maytown Ambulance Association should contact any member or plan to attend the meeting on November 9th.

## Restorationists honor Lenherts

Ken Ross, president of the Marietta Restoration Associates, presents a plaque of appreciation to Miriam and Henry Lenhart in the photo above. The event occurred last Thursday evening.

The Lenherts, curators of the Old Town Hall on Waterford Avenue, received the plaque in recognition of "their pioneering efforts to preserve Marietta's Old Town Hall for present and future generations."

They restored the historic structure when it was threatened with demolition some years ago. It now houses many artifacts. The Lenherts, semi-retired from their business of restoring classic woodwork, are also superintendents of the Marietta Gravity Water Co.
