**Major
Decision!**

Selecting the right furnace for your home comfort is a major decision. Start off on the proper foot with a Rheem oil furnace. Its combustion chamber and special designed heat exchanger put real fire power at your fingertips. And since Rheem oil furnaces come in so many sizes and models, it's your flexible response to the threat of cold weather. Call out the troops who fight the cold, but won't mount a big charge.

**Use the telephone to . . .
COMBINE ECONOMY AND STYLE.**

Here's an unbeatable combination of economy and style . . . the desk style telephone. A familiar "standard" model you say. But think of them in exciting colors like burnt orange, cherry red, aqua blue or cocoa brown. Or tone down your thoughts to moss green, beige or black. (There is a one time \$2 color charge on all colors other than black.)

Just don't think of the desk style telephones as "standard". Think of them as the perfect decorator touch. Then let your imagination run wild.

Of course the desk style telephone represents only one of the many phone styles available from your local United Telephone business office. Combine economy and style call us today.
