A pumpkin weighing 111 pounds, grown in Marietta from a seed that originated in Lancaster County, won a prize in competition with about 100 other pumpkins in national judging on Oct. 22nd.

Dr. John H. Brown, retired head of Wyeth, and his wife Kitty are the winners.

The pumpkin was so large that the Browns could not get it into their car to take to the contest at the Washington River Farm on the Potomac. Dr. Brown hired a van for transport. He built a stretcher to carry it.

The Brown entry won, on the basis of all three categories—size, color and conformation.

Dr. Brown's secret of his success, "It's very simple, the answer is Lancaster County soil. Lancaster County is the Garden Spot of the World."

Pvt. Everett W. Newell Jr., son of Everett W. Newell, 517 Glenn Ave., Mount Joy, PA, recently was assigned as an aircraft maintenance specialist with the 15th Military Intelligence Battalion at Fort Bliss, Texas.

Friendship Fire Co. Aux. has raised \$1000 for kitchen

Mount Joy Friendship Fire Company Auxiliary

held their meeting on October 19. Nine members were present.

The ladies are proud to say that they now have over \$1000 in the fund toward furnishing the new fire house kitchen.

We wish to thank the ladies who are helping us with the project.

We are having a miniature food sale at our next meeting. Each member brings something to eat and we auction it off, and then eat it—some fun and a little extra money for our cause.

We took in 6 new members: Pat Alleman, Fanny Randler, Mrs. J. Allen Shearer, Evelyn Hostetter, all from Mount Joy; Carol Lindemuth from Elizabethtown; and Elizabeth Fry from Lancaster.

Our Christmas party will be held at the fire house on our next regular meeting night, a Covered Dish. Each member should bring a \$2.00 gift. A necklace or pin to wear would be nice.
