

Students planning Veterans' Day celebration

In sincere appreciation for the sacrifices made in the defense of freedom by veterans of the U. S. Armed Services, the Donegal High School Dramatics Club again this year is coordinating the annual Veterans' Day observance, to be held on Saturday evening, November 11, at 7:30 PM in the Donegal High School auditorium. This patriotic tribute is open to the public and there is no admission fee.

Donegal's annual Veterans' Day observance has become a major event in the school year. Over 200 students of the Performing and Creative Arts Department (Band, Chorus, Dramatics Club, and Art Majors) are directly involved in this special tribute to the men and women of the Armed Forces. Within the past year, the program has been cited by the U. S. Navy, the American Legion, the United Veterans' Council, and in June, the school was awarded a special citation for the 1977 Veterans' Day tribute by the Pennsylvania AMVETS at its state convention in Camp Hill.

The Veterans' Day program consists entirely of patriotic music, dance, and drama. A special feature of the 1978 performance is a play entitled "Fate's Threshold", written specifically for this year's observance by Miss Sharon Cox, a member of the Dramatics Club. Music for

the occasion will be provided by the Band, Chorus, and Rhythm Singers. Monologues relating the history of each of the five branches of the Armed Services will be presented by members of the Dramatics Club. Among numerous other special features of the program will be a re-enactment of the Gettysburg Address, with Kirk Billet portraying Abraham Lincoln. Moderator for the 1978 Veterans' Day observance is Dramatics Club President James Landis.

Military veterans of the community in attendance at the Saturday evening performance will be recognized. Platform guests will include military recruiters from Lancaster County, commanders and representatives of Donegal-area veterans' organizations, and career (20 years or more) veterans of the Armed Services.

In addition to the Saturday evening program, a special Veterans' Day assembly will be held on Friday morning, November 10, for Donegal High School students. Congressman Robert Walker will be a featured guest for this assembly.

The Donegal High School Dramatics Club extends a cordial invitation to all members of our communities and their friends to attend the free public tribute to Veterans on Saturday evening, November 11.

Correction

We made some errors in the "Did You Hear?" paragraph about Steve Adams (page 3). Steve, who lives at 688 E. Market Street, Marietta, actually works at Musser's Chips, not Charles' Chips. His brother is named Robert, not Dave. We apologize for our error.
