

Richard Hess of the Mount Joy area delighted Riverview kids, who had been studying the physical principles involved, with a demonstration of how a

hot-air balloon works. Gusting winds made it unsafe to take off, but the students got a big thrill out of watching the giant balloon inflate.

## East Donegal supervisors will post speed limit signs

Representatives of the Oaklane Development attended the East Donegal Township Supervisors' meeting last week. Drainage problems at the Oaklane/Janet intersection were discussed.

These spokesmen said that the crown of the road was too high, which caused surface water to flood their yards. The supervisors replied that the roads there are not township roads; any action will have to come

from Harrisburg, which could take up to a year.

It was decided, after a request from a citizen, that 35 mile/hour speed limit signs will be put up along Rock Point Road near the park, and signs warning motorists to watch for children will be placed at the park entrance.

Douglas Brown was introduced as an appointee of the Park Commission.

Four accidents were reported for the month.
