

Three Indians make soccer all-stars

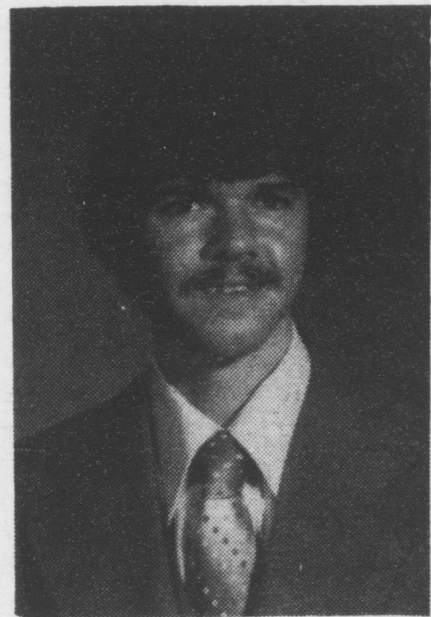

Zeller

Two Indians made the first string of the all-star soccer team, and another won honorable mention.

The trio are; Mike Zeller, John Meyers and Rick Coltier.

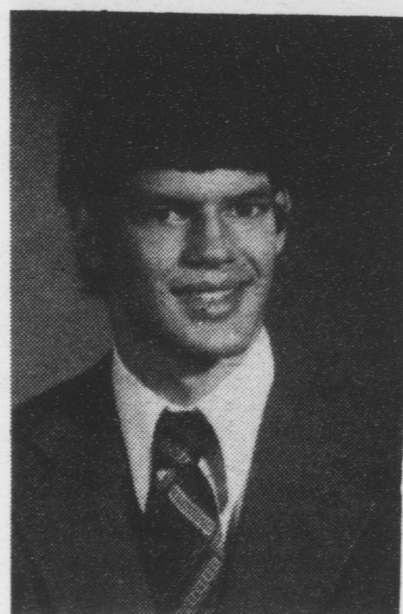

Mike Zeller helped captain the Indians to a winning season and held the league opponents to just a little over 1 goal per game. Being very rangy in the goal area and deflecting far corner shots were his specialties. In addition to this he possessed a soccer sense, which helped him to establish a sound team defense. His two way nature of being relaxed, but at the same time taking the game seriously contributed to his success. Many linemen were continually disappointed when Mike was there to stop their sure goals. The sound of "Keeper!" simply meant it was all over.

Zeller was the recipient of the John S. Shoemaker Soccer Memorial Trophy presented at a recent high school assembly. The trophy is awarded annually to the senior boy of the varsity soccer team that has displayed the qualities of good sportsmanship, team spirit, moral leadership and devotion to his school and team.

Meyers

John Meyers worked very hard at soccer all year. He rates high as being one of the most versatile soccer players in the league. Used as a center fullback last year, John was used principally as a lineman and midfielder this year to help bolster the Indian offense. He responded through his outstanding playmaking and by scoring 6 goals. He performed excellently in all areas and helped captain the team to a better-than-predicted season. Kicking exceptionally well with both feet, his shots were awesome. John was known to speak softly and carry a big kick! The same kick that has led him to the top.

Coltier

Ever since Junior High soccer Rick Coltier has been known to bust up plays out on the soccer

field. He had a good sense for the 50-50 plays, delays and how to give proper support. Stamina and determination have always been his trademarks and he anchored the Donegal Indians in their double L defense this year. All these attributes and more have earned Rick "honorable mention" on the Lancaster-Lebanon County soccer all-star team.
