## Model train show

I. Diller Miller is presenting his second annual Lionel train exhibit for the benefit of the American Cancer Society in the John Hoffman Solanco Fair Association Community Building, Quarryville, where it will be open to the public from Saturday, December 25, through Saturday, January 1, between the hours of 2 p.m. to 8 p.m.

Miller said his exhibit will cover 70 years of

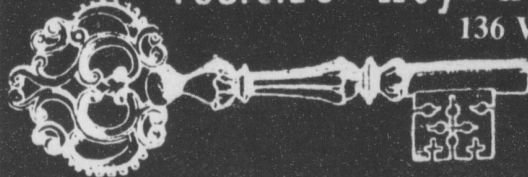

Lionel trains, from 1906 to 1976, and that at least 30 trains will be operating on a table 24 by 42 feet. The display, he said, is not intended to be a scenic train yard but is, rather, a train buff's delight.

Because the display has been arranged to raise funds for the Lancaster County Unit of the American Cancer Society, a donation of 50 cents for adults and 25 cents for children will be suggested.
