A unique Christmas gift

Last year, just two days before Christmas, Dave Brodhecker and Lou Ann Hess got married. Perhaps due to the rush of events, Dave couldn't find a partridge in a pear tree to give Lou Ann on the first day of Christmas; so he gave her the next-best thing, a cartridge in a bare tree, pictured above.
 "I don't know what he's going to come up with this year," says Lou Ann.
