Joycee-ettes busy this winter

December and January have been very busy months for the Mount Joy Joycee-ettes.

The month of December was filled with carolling, the Santa Breakfast in which all kids young and old enjoyed, the cookie exchange where the Joycee-ettes exchanged their favorite cookies and recipes with each other, and the Christmas meeting held at

the home of Cheryl Hallgren with refreshments and a gift exchange.

The January meeting was held at the Boro Hall the 16th with President Kathy Bower calling the meeting to order and Vickie Brown leading the Joycee-ette Creed.

Preparations are now being made for the Sweetheart King and Queen Contest chaired by

Bev Swanson.

Also underway is the Craft Day/Bazaar where anyone wishing to show his or her special craft may do so. Entry forms will appear in the newspaper and at various locations around the area. This is scheduled to be held March 24 at St. Marks Church. For more information, call co-chairman Patsy Hoffer or Connie Ginder. Here is

your chance to show off your skills and talents. The Joycee-ettes will also have a bake and food stand and bazaar the same day.

Once again the Joycee-ettes have made the "Magic Hankie" baby bonnet. This makes a special gift for all babies. For more information, you can call Sandy Gingrich.

A membership coffee will be held Monday, February 12 at the home of Sue Thomas. This is open to all women between the ages of 18 and 35 who are interested in learning about this worthy community organization. If you would like to attend the membership coffee, you can call any Joycee-ette, or Kathy Bower at 665-9191, or Jackie Gainer at 653-5634.

more ways to Save on your phone bill (Part 2)

Money seems too hard to hold on to these days. Why not make it work better for you. Follow our continuing series on ways to save on your phone bill.

G. Have you reached a wrong number when you've dialed a long distance number? Don't just hang up and grumble about it. Ask the answering party the area code and the number you reached in error. Then call the operator and tell her what happened. The operator will initiate a credit for you.

H. Have you been cut off from your party in the middle of your conversation? Or did you have a noisy connection? Don't just hang up and call back. Call the operator and report the problem. The operator will credit you for the time your call was interrupted.

I. Did you get charged for a long distance call you never made? Call your United Telephone business office and our service representative will have the charged removed.

J. Dial your own long distance numbers direct. That's the cheapest way. When you talk with anyone who answers you are charged a lower rate than when the operator completes your person-to-person call.

K. You know dialing direct is the least expensive way. But what if you don't know the number in that distant city? Simply dial your long distance access code, the area code (if required) and 555-1212 for directory assistance. There's no charge.

L. A listing of all area codes can be found in the front of your phone book. Save yourself some time later on by recording the new number in a personal number book. Stop at one of our business offices or phone shops^{T.M.} and ask for a personal phone book.

This advertisement is first in a series of helpful and cost saving tips from your United Telephone Company to help you save money. (And everyone knows saving money is not easy these days.)
