Let's Go To the Moon

Get your children set for a trip to the moon. This Friday and Saturday the Columbia Little Theater will present its first children's production of the 1979 season. The play, "LET'S GO TO THE MOON," will be presented on March 9 at 7:30 PM and March 10 at 1:30 PM and again at 7:30 PM in the Columbia High School auditorium.

The play is about a small boy named Bill Jones. His vivid imagination is full of spaceships and trips to far off planets. Bill's bossy sisters, however, find his

fascination with space silly and would rather that he direct his energies in a more positive manner, such as reading fairy tales.

Bill's space wish is granted when a shiny space ship commanded by Capt. Extraordinary lands in Bill's back yard and offers to take him to the moon. Once on the moon, Bill meets up with some goofy fairy tale characters who moved to the moon because people on the earth don't believe in them anymore. They fairy tale characters sing and dance, but the gathering is interrupted by

the fierce Man in the Moon who's walk makes the whole moon shake.

Scott Demmy of Marietta leads the cast as Bill Jones. Tina Haug and Coleen Barr are Bill's older sisters. Mic Reidy is the crazy space captain. The fairy tale characters are played by Tammy White, Pat Zercher, Bev Yost, Eric White, Beth Showalter, Sherry Clark and Louise White.

Tickets for the production will be available at the door. Prices are \$1.25 for children and \$2.00 for adults.

Craft Day will be open to the public on Saturday from 9 AM to 3 PM in the

Kinsey and Hershey set up a play on a fast break.

The Donegal boys were generally expected to lose their contest with 2d-seeded York Catholic in the AA District 3 tournament, so fans weren't particularly disappointed when York won 67-41.

The girls had a better chance to advance far, but a fit of cold shooting knocked them out during a

quarterfinal contest with Ephrata.

The game started as a defensive contest. Both teams were ice-cold in the shooting department, but the Indians' fierce press soon gave them a comfortable lead.

The lead evaporated in the middle of the game, when the Mounts began

shooting well. Donegal, hitting an incredibly poor 20%, slowly lost the advantage and the ballgame.

A last minute recovery gave the Indians 20 points in the final period, but they still lost 53-46.

The whole starting five will be back next year, for another tilt at the title.
