Bye Bye Birdie at DHS

A musical comedy by Charles Strouse and Lee Adams "Bye-Bye Birdie" will be presented by Donegal High School Arts Department. The Vocal Music Department is sponsoring the show on March 29, 30 and 31, 1979, beginning each evening at 8:00 P.M. in the Donegal High School auditorium. Tickets are priced at \$3.00 with a special student price Friday, March 30th of \$1.00. Tickets can be obtained from any cast member, or by calling the high school office (653-1871) or at the door.

"Bye-Bye Birdie" tells the story of a rock 'n roll singer about to be inducted into the Army. A final national publicity stunt, that of Conrad Birdie bidding farewell to all by giving a typical teenage girl an all-American kiss on national TV, Kim MacAfee in Sweet Apple, Ohio, wins the honor. The arrival of Birdie in Sweet Apple causes wholesale swooning by both the old and young. Birdie says that his success is due to the fact that he is "Honestly Sincere" when he sings. The quiet little town and the MacAfee household is completely upset by the visiting dignitary. Parents become very upset with their children and, likewise, the teenagers with their parents (sound familiar?). Many humorous situations occur throughout the story as it gives insight into everyday life that is very

much a part of us. If you enjoyed the singing and dancing in "No, No Nanette", you'll love "Birdie". Put a little "chirrup" in your life and join us for "Bye-Bye Birdie".
