Hawthornes to show slides of China trip

Mr. & Mrs. Leroy Hawthorne, Elizabethtown, members of the West Green Tree Church of the Brethren, R.D.#2, Mount Joy, recently returned from a two week tour in mainland China.

The Hawthornes will be showing slides of this trip on Sunday, March 25, at West Green Tree Church, time 7:30.

The public is invited to attend this interesting program.

Mr. & Mrs. Hawthorne took part in a people to people tour, which was started by the late President Dwight Eisenhower, bring to-gether the people of two countries to exchange messages of friendship and good-will. During the tour, they found the people so friendly that they were not only greeted with tea and a bowl of fruit, but it was mentioned that they were so at ease that people left things like hats and even a camera on the tour bus overnight and they were still there the next morning.

Why not visit the West Green Tree on Sunday evening, March 25, and find out for yourself how the Hawthornes were welcomed and see the many slides that they have to show! See for yourself the Great Wall of China and many more slides of interest, from Rome, Athens, Pakistan, Peking, Canton, Kweilin, Nanking —which is in the far south of China near the Vietnam border—but let them tell you about it, so try to visit Green Tree Church, R.D.#2, Mount Joy and hear and see for yourself.
