

George George and Robert Roberts promoted

George George and Robert Roberts were both promoted by National Central Bank last week.

Both men were made assistant loan officers, according to Robert M. Moore, Lancaster Region administrator.

Robert J. Roberts, Jr., is a Columbia native who now resides in Marietta, where he is a member of the Pioneer Fire Company.

Robert joined the bank in 1971 as a teller. He became a unit manager in 1974 and a collections supervisor in 1977. A graduate of Hempfield High School, he has completed several courses sponsored by the American Institute of Banking.

George W. George is a Lancaster resident. He attended E-town College and Bucknell University.

Robert J. Roberts, Jr.

Maytown music April 10th

Maytown Elementary School will present its Spring Music Program, "Through the Year in Song," April 10 at 7:30 p.m. The all-school program will feature each grade in song and dance for all the months of the

year. Kindergarten and first grades will appear for the summer months, and second and third grades will take care autumn to Christmas. Fourth, fifth, and sixth grades will finish with the winter months and spring. The program is

under the direction of Miss Sharon Zimmerman, music teacher.

Everyone is welcome to come and share in this evening of free music and fun to be presented in the Maytown School auditorium.

Doris Saylor

Doris Marie Saylor, the daughter of Mr. and Mrs. Stanley M Saylor of RD1 Elizabethtown, has been awarded the Rensselaer Medal from Rensselaer Polytechnic Institute. The medal is a honor given the 11th grade student for outstanding achievement in the study of mathematics and science during the junior year at Donegal High School.

One junior from each of about 1300 high schools is so honored each year. Each school selects its own winner.

Doris will now be eligible to compete for a Rensselaer scholarship.

Rensselaer is best known as an engineering and science college.

more ways to Save on your phone bill (Part 4)

Money seems too hard to hold on to these days. Why not make it work better for you. Follow our continuing series on ways to save on your phone bill.

S. Before you place a long distance call to a business, check to see if they have a toll-free number. You can recognize it because it has an 800 prefix instead of a regular area code. If they have one it's usually displayed in their advertising, or you may find it listed in your own local telephone directory. If so, the call's on them, and you save.

T. If you don't know or can't find an "800" number in the phone book, simply dial your long distance access code, 800 and 555-1212 to reach the "800" directory assistance operator.

U. The information pages at the front of your local phone book are a good source for tips on how to place your calls and how to save time and money in using your telephone. Look in the book, and save.

V. If a coin phone takes your money but doesn't give you your call, you're, of course, entitled to a refund. Use a working phone to dial "0" for "Operator" and tell her what happened. We'll send you a refund in the mail. (We'd also appreciate it if you'd tell the operator the number and location of the phone that's out of order so we can get it fixed as soon as possible.)

W. Are you going to be away from your home for an extended period of time? Based on how long you will be away, our business office representative can determine if you can save money by temporarily suspending your phone service.

X. Watching that "Payment Requested By" date on your telephone bill will help us properly credit your account. Prompt payments will avoid costly and untimely interruption of your phone service.

Y. Use that convenient return envelope we send with your bill. By sending your payment you can save a trip into the business office.

This advertisement is first in a series of helpful and cost saving tips from your United Telephone Company to help you save money. (And everyone knows saving money is not easy these days.)
