## Surprise

On the 23rd of March  
Much to our surprise  
There were six balloons  
Came down from the skys.

They flew all the way  
From Glen Burnie, Md.  
To our home near the river  
In Marietta, Pa.

They chose our front lawn  
About 3:00 P.M.  
Three were still inflated  
But three had broken down.

So good luck to you children  
Adene, Deanna, Lillian,  
Linda and Jim  
And a little one, whose name  
Is Khee S. Kim  
May God bless you all  
And may you all win.

—Mrs. Fred Bigler  
115 Essex Street  
Marietta, Pa.

## Letter

### Congratulations to athletes

Dear Coaches & Students:

On behalf of PUFA, it gives me great pleasure to congratulate each and every one of you for a most tremendous and rewarding year thus far in the area of sports. From the beginning to the end, from basketball to wrestling, it has been a year of which you can be proud the rest of your life.

In order to achieve the perfect harmony among all the various extra-curricular activities which Donegal offers, it is necessary that

we support each other, and I am proud that we are successful in achieving that goal. In the game of life it isn't important who "wins" or "loses," but how you play the game that counts, and we have much of which to be proud in our students at Donegal.

We, in PUFA, are very much aware of all of our students' progress and wish them and their coaches every success in the future.

Sincere best wishes,  
Betty J. Hershey, President  
People United For the Arts
