## Keller runs auction for Leisure Club

The Mount Joy Area Leisure Club held its monthly meeting recently with 133 members and guests present. Following the invocation by Rev. Ezra Ranck, cake and coffee were served. Members were asked to bring articles for an auction, which was held. President Joe Shaeffer started a business meeting with the pledge of allegiance to the flag. This was followed by the secretary's report by Almeda Hostetter.

The auctioneer for the auction was Mr. Harold

Keller assisted by his helper Eric Gotwalt. The business meeting was cut short and Mr. Keller took over, auctioning a wide variety of items. President Shaeffer mentioned the bus trip to Browns in October. Members who have signed for this trip are asked to pay \$25.00 per person at the June meeting, as a down payment for the trip.

A bus trip to the Allenberry Playhouse for a lunch and a matinee scheduled for June 13 HAS BEEN CANCELED, be-

cause a full bus could not be obtained. Because of the auction, the business meeting could not be completed. Two new members were admitted, Lois and Benjamin Zettlemoyer.

The June 11 meeting will be a program presented by some of the members, and will be under a talent committee with Jay Sherk as chairman. The June meeting will be Leisure Club's birthday party, and will begin at 1:00 PM at Hostetter's.

—Jos. Shaeffer

# GAS SAVER

You can save a lot of gasoline—and a lot of money—if you use the phone *before* you use your car.

By calling ahead, you can be sure the restaurant is open . . . the store has what you want . . . or the friend you want to visit is home—*before* you waste time, gas and money on an unnecessary trip. On the average, you waste about a dollar's worth of gas on every unnecessary trip—

and just two wasted trips a week can cost you more than \$100 worth of gas a year.

Saving energy is easier than you think, and with the rising energy costs we're facing today, it's never been more important. So the next time you pick up your car keys and head for the door, ask yourself whether a phone call could save you the trip—and the wasted gas.
