Louis C. Varljen

## Varljen new asst. mgr. Marietta Ceiling plant

Louis C. Varljen has been named assistant plant manager at the Marietta Ceiling Plant.

A graduate of Grove City College, Varljen joined Armstrong in 1962. He worked as an engineer at the Lancaster plant, and later managed engineering at

E&B Carpets, an Armstrong affiliate.

He then switched to Armstrong's employee relations department, and spent some time in England managing another affiliate plant.

Varljen began as assistant manager in Marietta on October 1st.

## Mt. Joy Lions observe White Cane Day Fri.

The Mount Joy Lions observed White Cane Day on Friday, Oct. 12th. Lions Club members were stationed at various locations in Mount Joy on that day from 5 to 8PM., to collect donations.

Lions Clubs all over America have held White Cane Days since 1951. Proceeds are used to further the cause of sight conservation and to help the blind.

This year the money will

be donated to the Will's Eye Hospital in Philadelphia. The Lions Clubs of Pennsylvania have pledged to build a new wing for that hospital.

If you wish to donate, but couldn't get to one of the above-listed locations, you may send your contribution to the Mount Joy Lions Club, c/o Jay R. Hess, 457 Donegal Springs Road, Mount Joy 17552.

All contributions will be greatly appreciated.

## Cute Saying

The cute saying for this week is one from a large collection of cute sayings compiled over the years by Warren L. ("Whitey") Hayman, physical education teacher in the elementary schools.

The children were asked

by their music teacher to name their favorite song. One little boy said his favorite was "Gladlee, the cross-eyed bear."

The teacher asked the little boy where he had sung that song.

"In church," he replied. ("Gladly, the cross I bear.")
