Donegal Braves Football completes 18th year; 100 boys participate; B team makes playoffs

The Donegal Braves Midget Football team has recently ended its eighteenth year of football for boys aged eight to thirteen. The young men, numbering close to one hundred, started their season of football in August and played most of their games at the Donegal High School on Sunday afternoons. There are four teams—D, C, B, and A. The boys are grouped by age and weight and are moved to the next category according to their weight.

This season the B team competed in the Red Rose Midget Championships, making the play-offs. The Donegal Midgets are proud of the fact that they were among the first to organize the Red Rose Midget Football League in Lancaster County.

Until this year, the group had been self-supporting. Government safety regulations have been established to require helmet approvals. The team will now need \$3,500 for about one hundred new helmets, so that the boys of the Donegal School District Area can continue to play football. If you would like to contribute to this worthwhile project, please send donations to: The Donegal Braves & Midget Football Team, 271 Park Ave., Mount Joy, Pa. 17552. You may designate your contribution for either helmets or general funds.

The parents extend their thanks to the following: Butch McCurdy & Rudy Nye, A Team Coaches; Bumper Yohe, James Shank and Buzz Yohe, B Team Coaches; John Zerphy and Ron Gautz, C Team

Coaches; Randy Richards and Donald McGarney, D Team Coaches. Also for the support of the cheerleaders, Vickie Brown, Tammy Portner and Collette Yohe. Thanks to James Grady,

equipment manager; Ronald Alleman, trainer; John Zerphy, Director; and Gary Knicely, President of the Parents Organization.

Donegal wins in mud; plays Annville-Cleona

Last Friday Night the Donegal Indians defeated Norlebcu in the Lebanon County mud, 13-6.

More impressive than the score were the statistics for the game.

Donegal piled up a total of 157 yards to Norlebcu's 20. Donegal had 9 first downs to Norlebcu's 1, and that single first down resulted from a penalty.

Norlebcu's single touchdown resulted from a blocked Donegal punt.

Even that single touchdown by Norlebcu might not have been scored if all Donegal's players had been on the field. Some players had been injured and left the field; substitutions had been sent in; but with mud covering jerseys and numbers, it was difficult to see exactly who was and who wasn't on the field. The films of the game revealed there were only ten Indians playing when Norlebcu scored.

Coach Deshler was very pleased with the game, especially the defense which had done an excellent job previously this year.

Leonard Mummau, who scored one of the touchdowns, carried the ball 19 times for 88 yards. Steve Meszaros, who scored another TD, carried 18 times for 58 yards. Jeff Mihajlov

carried 6 times for 36 yards.

The Jayvees have had a very good season this year. They are undefeated, having won 5 games and tied one, 0-0, with Solanco. Three of their games were cancelled, and Coach Deshler believes they would have won those games against not very strong teams.

In other words, prospects are bright for DHS next year with relatively few seniors leaving and strong players coming up to the first-string from the Jayvees.

The 9th grade team won 2 and lost 3 this year. They suffered from more than their due of broken bones.

Next week it will be Annville-Cleona there at 2 p.m.

The game will be tough. Annville-Cleona is tied with ELCO and Garden Spot for first place. They will feel a lot of pressure on them because of their position, with their rivals playing fairly weak teams.

Coach Deshler plans to make the most of this pressure, by turning on Donegal heat from the opening kickoff. He remembers well being in a similar spot last year when his first-place team felt the pressure of their final game. It was close. Donegal could have lost.
