DECEMBER

LORRAINE
Cuddl' Tuds T.M.

A NEW concept in cold weather underwear that up-dates old fashioned "snuggies". Absorbent cotton on the inside with silky nylon on the outside, all edged with stretch lace for a feminine touch. Now today's woman can be warm and feel pretty, too!

here for...*

We're your Community Bank. We're locally owned and locally managed. We're not part of any large banking system. We're independent. We work for this area, and this area, alone.

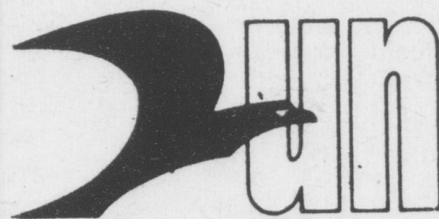

Our employees both live and work in your community. When you use our bank you are being served by neighborhood people. It's our job to see that you receive individual attention, the kind of personal attention you would expect from a neighbor.

Our officers and directors are actively involved in local organizations and affairs. Our staff takes a personal interest in the financial well-being of each and every member of our community.

When you save with us, a good portion of your deposits are used for personal loans for home improvements, new cars, medical expenses, and more, to help all the people in our community.

A good portion of you deposits are used for commercial loans to help local businesses grow which, in turn, helps create local jobs. We supply mortgage and rebuilding money to revitalize our commercial and industrial areas.

As your Independent Community Bank, we put your money to work for a better local economy. We put your money to work for you.
