Donegal students participate in holiday Drama/Dance Workshop

On Thursday, December 27, 1979, thirteen students, two adult supervisors, and three workshop teachers participated in a Drama-Dance Workshop in the Donegal High School auditorium. The morning session, which ran from 9:00 am to 12:00 noon, consisted of classical ballet techniques demonstrated by Ted Hershey, a 1976 Donegal alumnus who is currently performing with the Hartford, Connecticut Ballet. Using the front of the stage as the "dance bar", the students patiently and tediously followed the instructions of Ted and seemed to

enjoy it all in spite of the inevitable stiffness which they could anticipate the next morning.

Assisting also was Mr. Bruce Cirrinone, whom most of our participants remember from the Veterans' Day preparations as the Guardsman at the Tomb of the Unknown Soldier. Mr. Cirrinone was a dance major at Point Park College.

The afternoon session, under the leadership of Jim Johnson, a 1978 alumnus who now is studying in the Theater Department of Penn State University, involved participants in a series of

voice, diction, body movement, and improvisational exercises. The workshop was extremely well organized, and all of the feedback by participating students was excellent. It is important that these types of educational workshops in the performing arts be promoted in order to ensure high quality in the arts department at the High School.

The workshop disbanded at 4:20 pm, and a tired, but enthusiastic group of students headed home. There were no injuries, no accidents and no incidents.

—M. M. Peraro

Let us know about your group's meeting; we will include it in front page calendar

If your organization has a meeting or event for the **Susquehanna Times Calendar**, to be published on the front page each week, give

us a call at 426-2212 or 653-8383. Please have all information available the Friday preceding the date of publication.

Harry Gerlach named president of Mount Joy's SICO Foundation

Dr. Harry K. Gerlach has been named President of the Sico Foundation, Mount Joy. He replaces Dr. D. L. Biemesderfer, who remains on the Foundation's board of directors.

Dr. Gerlach has been on the board of the directors since 1965. The Mount Joy philanthropic foundation aids students continuing their college education in Pennsylvania, Delaware and Maryland schools.

The first president of the Sico Foundation was its founder, Clarence Schock.

Dr. Gerlach has been a teacher, principal, superintendent, and executive

director in the Lancaster County school system since 1934. He is currently a special educational consultant to the State Department of Education.

In other board action, the Sico Foundation elected a new vice president, Dr. William H. Duncan. Re-elected to offices were: Arthur A. Hackman, secretary; Franklin R. Eichler, treasurer; and Robert K. Shank, assistant secretary.

Other directors are, Joseph D. Moore, Fred S. Engle, S. Harold Hackler, Carl R. Halgren, Esq., John N. Weidman, and Robert P. McGinley.

Lancaster RESOLVE to meet next Wed

The Lancaster chapter of RESOLVE, national support group for infertile couples, will hold its next meeting on Wednesday, January 16 at 7:30 pm at St. Joseph

Hospital, Rm 252. Dr. Jon Walker will speak on the testing and treatment of male infertility and regular chapter business will be conducted.

Michael Frey

Michael Frey is Hugh O'Brian candidate

Michael Frey has been selected as Donegal High School's candidate for the Hugh O'Brian Youth Foundation International Leadership Seminar competition.

The Hugh O'Brian Youth Foundation promotes leadership qualities in high school sophomores. The criteria for selection consisted of evidence of emerging leadership ability, cooperation with fellow human beings, and sensitivity to the needs of others, ability to relate to new pursuits and acquaintances, and the desire to learn and share knowledge and experience with others.

Mike will now compete with other high school representatives from Pennsylvania. At least one boy or girl from the state will be chosen to attend the annual, all-expense-paid, week-long International Leadership Seminar in Los Angeles, California.

Michael is the son of Mr. and Mrs. Marlin O. Frey of Mount Joy.

The Yearling available free from the Library

The Lancaster County Library is now accepting bookings for the full length feature film **The Yearling** starring Gregory Peck, Jane Wyman and Claude Jarman, Jr.

Based upon Marjorie Kinnan Rawlings' great novel of the same name, **The Yearling** is the story of a young boy, Jody, who lives with his family on the

Florida frontier shortly after the Civil War. Jody must sacrifice his pet fawn for his family's survival. The story is rich with emotion in its portrayal of Jody's coming to manhood.

The film is available free of charge from January 15 through March 31. Scheduling can be arranged by calling the Reference Department of the Lancaster County Library, 394-2651.

Births

BEHLING, Mr. and Mrs. Robert (Carole Thone), 445 Terrace Ave., Mount Joy, a son at General Hospital.

SMITH, Mr. and Mrs. David (Mary Jane Eshleman), 643 W. Main St., Mount Joy, a son at General Hospital.

United Telephone customers will save money due to tax cut

United Telephone Company of Pennsylvania customers will save an estimated \$782,000 on their telephone bills in 1980 because the federal excise tax on telephone bills declined 1 percent on January 1.

In an annual process set in motion by Congress several years ago, the tax has been declining by 1 percent each January. This time it drops from 3 percent of the phone bill to 2 percent. The levy will be eliminated on January 1, 1982.

Congress first imposed the excise tax during World War I as a "temporary" measure. It was repealed briefly after the war, but was reinstated during the Depression. It has continued ever since. Rates have ranged as high as 15 percent on local service and 25 percent on long distance calls. The tax stood at 10 percent from 1954 to 1972.

make the mess less.

IN-SINK-ERATOR DISPOSERS DO MORE.

There have to be good reasons why more In-Sink-Erator disposers are sold and installed every year than any other make.

Our grinding ring, for example, is the strongest made. It's the core of our disposers along with our own ISE-made electric motors.

Then we add the extra things. A tough polypropylene shield protects against interior corrosion. Automatic reversing action extends the life of the grinding elements.

So ask for In-Sink-Erator next time. To make your mess less... we make our disposers do more.
