

Grapplers win 2 again, defeat L-S & Octorara

Donegal's wrestlers continued winning last week, taking two in a three-way meet with Octoraro and Lampeter-Strasburg on Saturday. The Indian grapplers took both teams: Octoraro, 40 to 14, and L-S, 36 to 12.

Against Octoraro, Sweigart (105 pounds) pinned his opponent; so did Bowman (119) and Wolgemuth (167). Musser (98), Hoover (112), Greiner (126), Geib (138), Mummau (145), and Bell

(155).

Against Lampeter-Strasburg, Musser (98), Wolgemuth (155), and Bell (167) won by falls. Sweigart (105), Bowman (119), Greiner (126), Meszaros (132), and Mummau (145) won decisions.

The final week of the season includes a meet with Annville-Cleona on Thursday here and a meet with Columbia there on Saturday.

Dribblers lose two but Johnson gets 1000th pt.

Mitch Johnson

Last week Donegal's boys basketball team lost two games to good teams in their section. On Tuesday

they lost to Lebanon Catholic, which ranks two in the section, by a score of 61 to 63, and on Friday to Annville-Cleona, fourth ranked in the section, by a score of 73 to 79.

There was one consolation last week for the team; their ace scorer, Mitch Johnson topped 1000 points for his career in the game against Lebanon Catholic, in which he scored 33 points. In the game against Annville-Cleona, he added 32 more points to his career total.

This week the Indian dribblers round off their season with a game against Pequea Valley there on Tuesday and a game against Elco there on Friday.

Girls B-ball upset, tie with PM team

The week began in a normal way for the girls basketball team of Donegal High School as they demolished their arch-rivals of last year, Hempfield, 85 to 42.

Then came a game on Friday with second place Penn Manor, a team the Indian maids had disposed of earlier in the season, 69-34.

For many the unbelievable happened; by the end of the evening the Donegal girls had been defeated by the girls of the Manor, 53-55.

The Manor coach, Spangler, attributed the victory of her team to a very tight defense against the Donegal aces. At halftime D.H.S. was behind, 16 to 24.

Although the Donegal girls outscored the Manor maids in both of the last two periods, they could not quite catch up. When the final whistle blew, they were still two points behind.

Penn Manor is now in a tie with the Indians in Section 3. Each team has two more games to play. Donegal plays Lampeter-Strasburg Tuesday here and Pequea Valley there on

Friday.

The strong likelihood is that both Donegal and Penn Manor will be victorious in their last two games and will have to play a tie-breaker to decide the championship.

Coach Bill Earhart said about the game with Penn Manor: "They played their best game; we played our worst game; that about sums it up."

"It just shows you: you can't take any game for granted. Each game starts with a score of 0-0; from then on, it's up to you to prove what you can do."

Mount Joy Library board sets goals for 1980

The executive board of the Mount Joy Library began the new year by setting some goals for 1980. Anne Milanof will continue her responsibilities as president of the board, while Lorraine Singer will stay as vice president. Barbara Fifers will serve as secretary for the year. Two new members were elected to

the board; Mrs. Pat Haberg, RD1, Mount Joy, and Mrs. Kathy Bowers, Mount Joy. Mrs. Haberg has a Sociology degree from Duquesne in Pittsburgh and is the marketing manager for QVS Real Estate, Inc. of Elizabethtown. Mrs. Bowers is a familiar face in the community. The mother of two preschool aged children, she is

an active volunteer at the Mount Joy Library Story Hour.

The library hopes to create more interest in its functions and services for the coming year. The Mount Joy Joyceettes will present their second puppet show, *Katie No Pocket and Petunia*, for the children, February 16. The show will

be acted out at 10:00, 10:20 and 10:40. The last show featuring *Petunia* drew 104 young spectators, and the library is hoping to repeat this high turnout.

The board also adopted a 1980 budget. The fund drive presently stands short of its goal, it was announced. Due to new demands from the community, the library's budget is constantly increasing. The library is looking for support from the entire community in order to continue their fine services.

During the upcoming year, the story hour room will take on some new looks, and some much needed work will be done on the main floor of the library. Any individual, business or industry wanting to contribute to the library fund drive may send their donation to the Mount Joy Library, 22 East Main Street, Mount Joy, PA 17552.

ers must be water tight, not exceeding twenty gallons in volume or weighing more than sixty pounds. Tree or shrubbery trimmings may not exceed four feet in length and two feet in diameter. They must be tied securely with rope or wire.

Receptacles may only be placed at pick-up point

Wednesday evening prior to Thursday's collection. A borough ordinance regulates this rule, and it is to be enforced beginning this month.

The escalating cost of the new contract forces borough council to increase the quarterly rates of trash collection to \$8.00.
